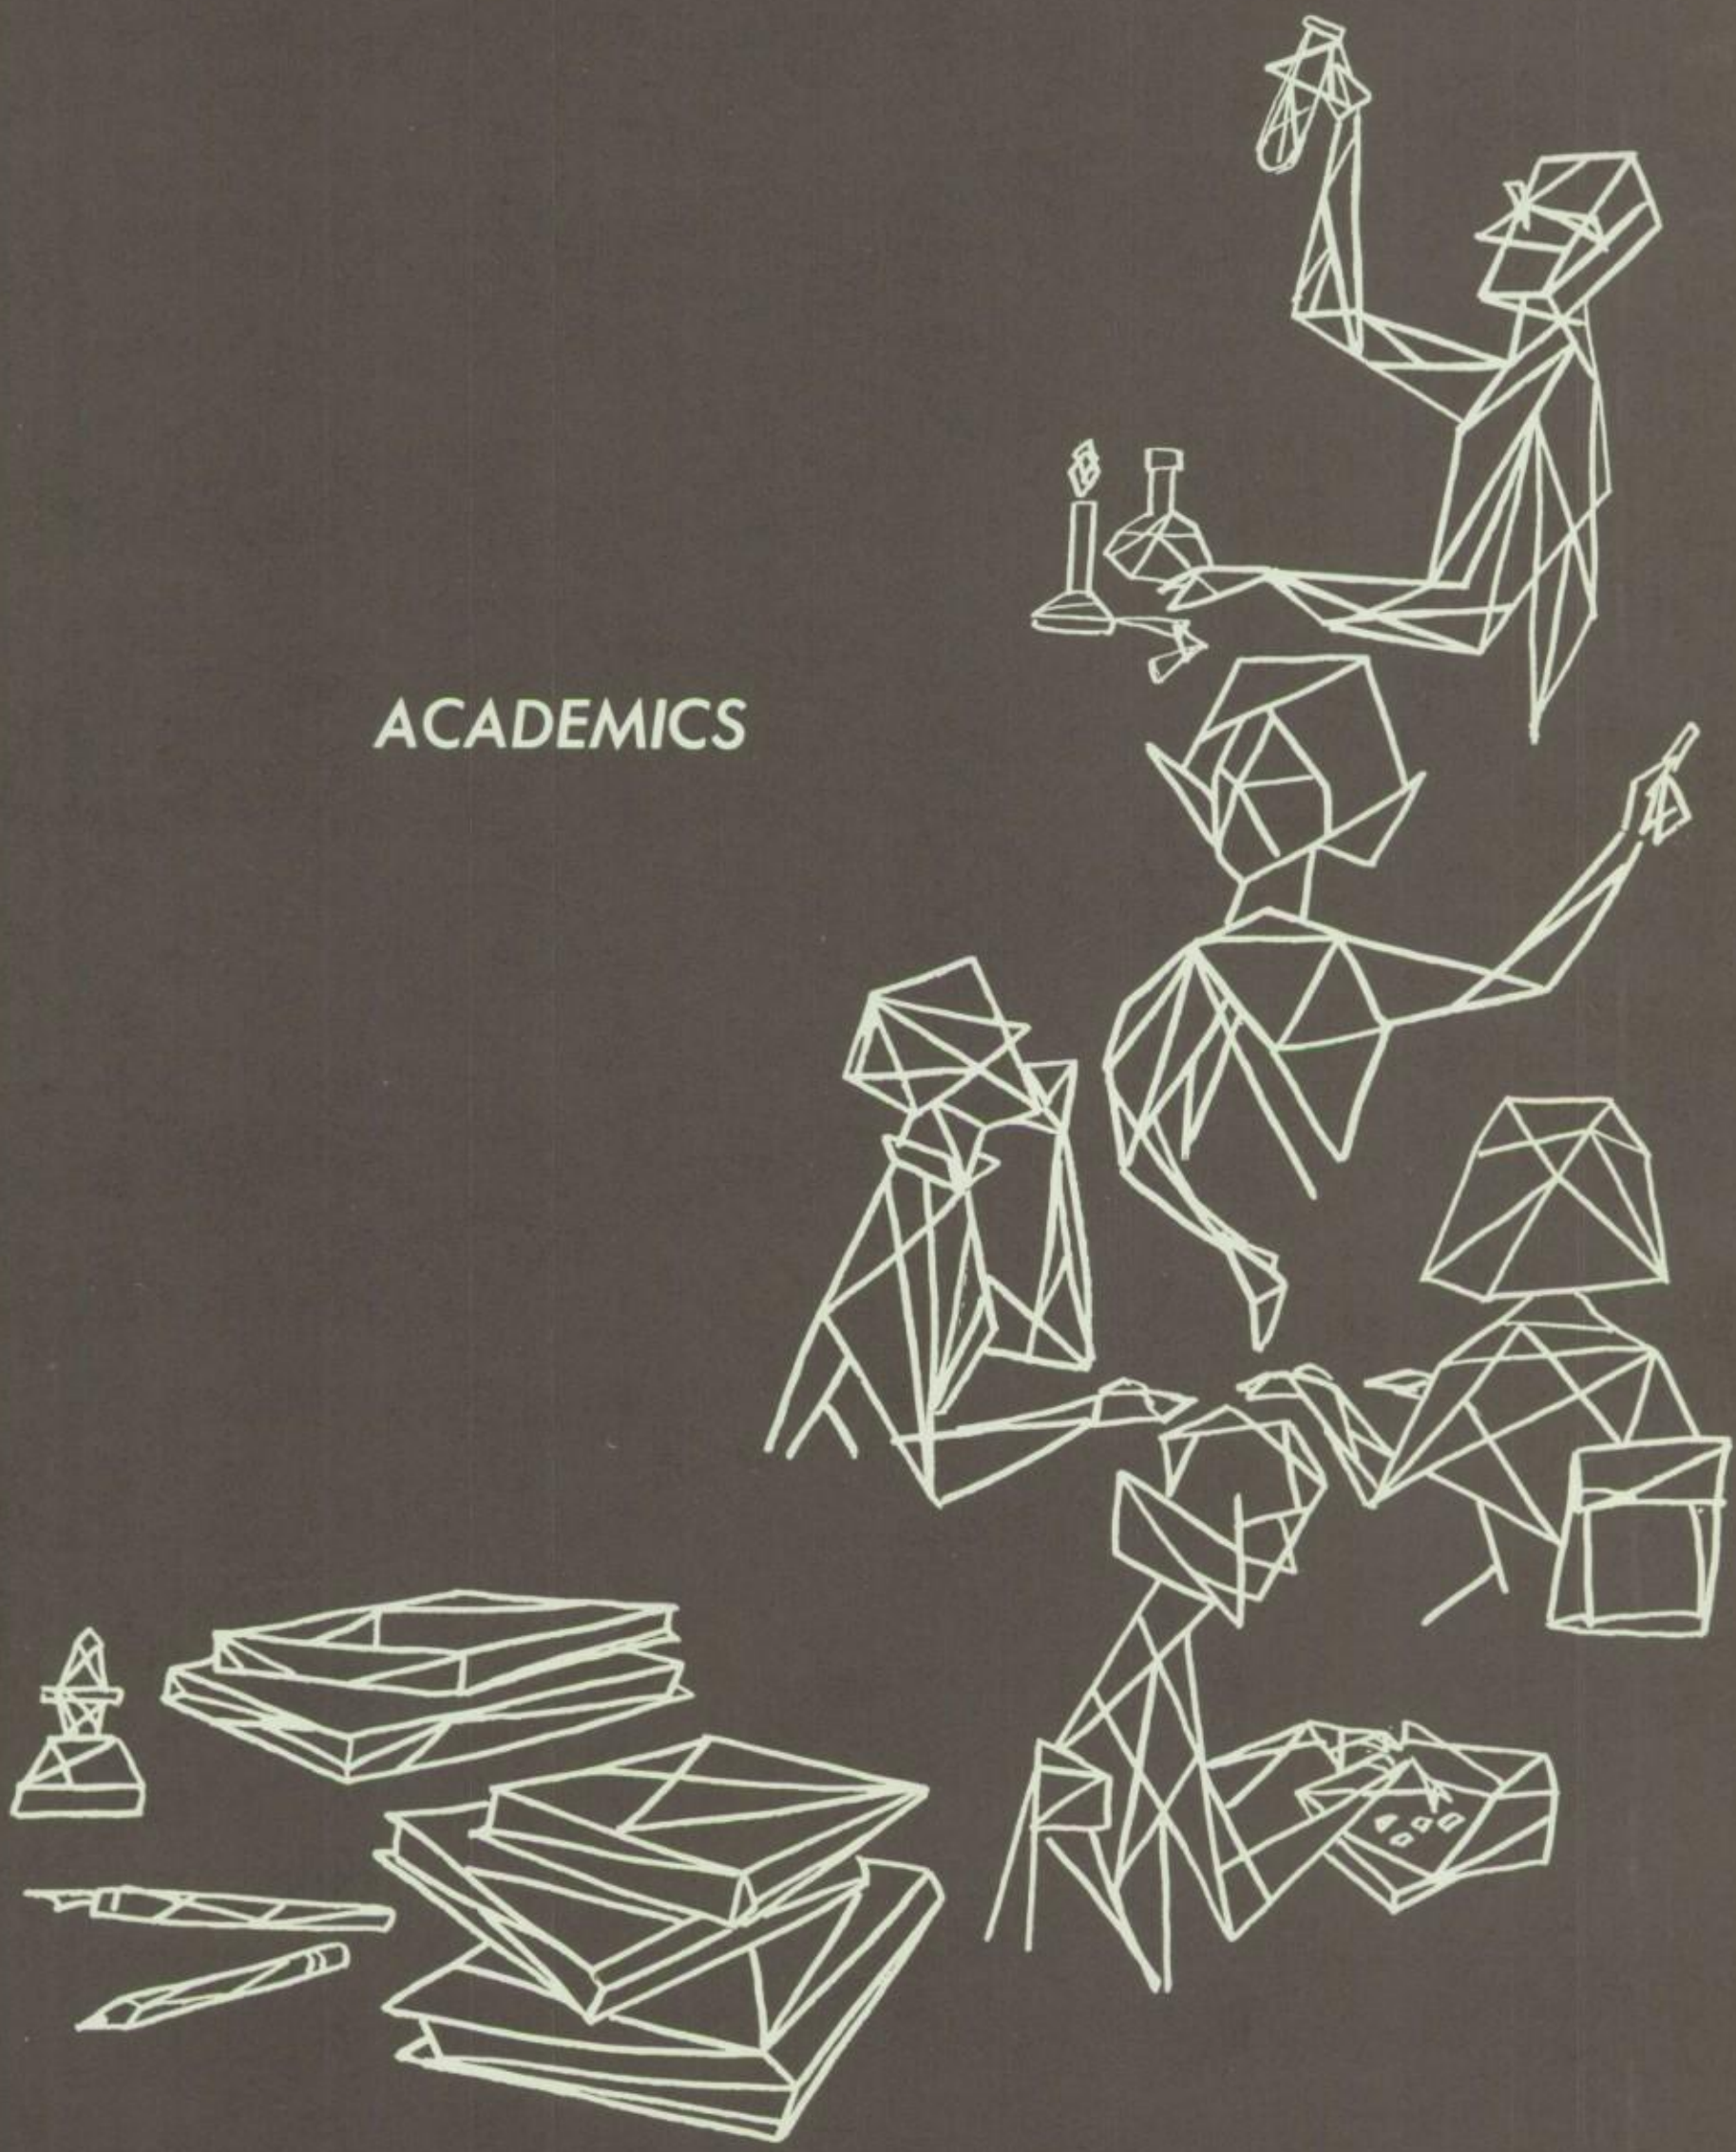
ACADEMICS



"**In spite of what adults may think** and say, students will grow up to be very excellent citizens."

Mr. White has been an educator for 34 years. He enjoys working with people and is never too busy to spare a moment for a serious talk with a student or teacher. His bright smile is indicative of his enjoyment and success as a person and as a principal.

Mr. Harry White, Principal

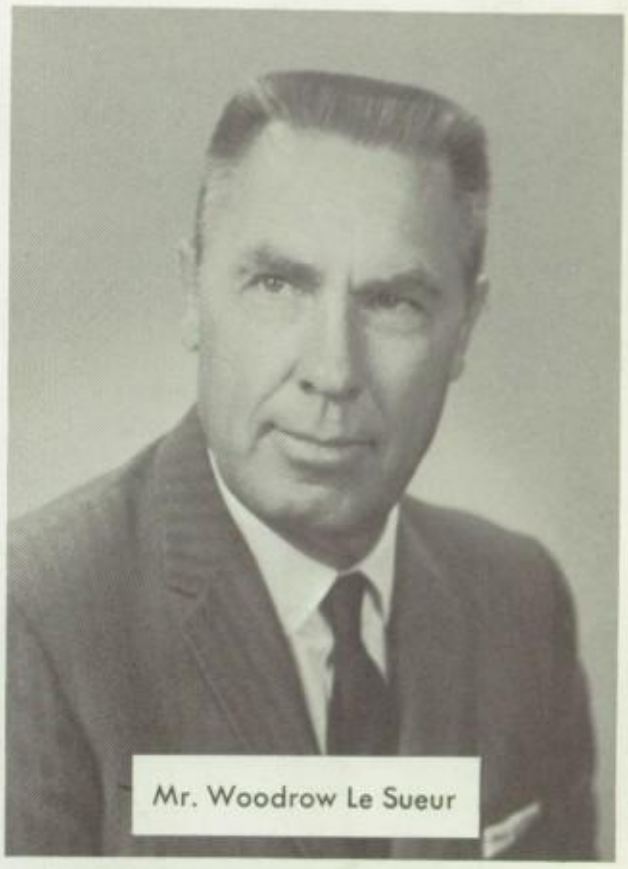
Typical of Mr. White are his friendly wave and pleasant conversation.

Le Sueur Sponsors Student Government

Mr. Woodrow Le Sueur, associate principal here at Carl Hayden, was formerly assistant principal at Camelback High School for nine years. In the future he has hopes of becoming a principal.

Mr. Le Sueur enjoys his work here at Hayden: "I am well pleased with the attitude and co-operation of our students."

His responsibilities are managerial, administrative, and organizational. He also co-sponsors student government with Mrs. Druckemiller. A busy father of three teenage boys, he plays golf in his spare time.



Mr. Woodrow Le Sueur

Mrs. Dorothy Druckemiller

A welcome goes to our new Dean of Boys, Mr. Le Roy, who worked at South Mountain seven years before coming to Hayden. He handles disciplinary measures for boys and enforces standards set for them. As athletic director, he supervises sports activities. Twelve years ago Mr. Le Roy was a newspaperman. While in the military service in Texas, he wrote for three daily newspapers. He also wrote for television and gave lectures. Later, he worked on the sports section of the **Toledo Blade.** For recreation he enjoys golf, swimming, hiking and photography.

Mr. Gerald Le Roy

In Mrs. Druckemiller's opinion personal scholarship and the understanding of a student are essential characteristics of a good teacher; a person who does not possess both of these attributes will not be able to reach students successfully.

One of the busiest people on campus, Mrs. Druckemiller, Dean of Girls, acts as a co-ordinator over all the activities excluding sports, takes charge of student welfare, and aids the girls in any problems they may have. She aids Mr. White and Mr. Le Sueur in any way she can.

Mrs. Druckemiller has been a teacher for 17 years. Before her arrival at Carl Hayden she taught in Long Island, New York.

Board Grants Hayden Word Study Course

School board members are elected each year by the voters of the Phoenix Union High School District.

All school policies and by-laws originate from this board. The board also raises necessary funds to finance schools, enforce rules prescribed by the State Board of Education, and employs supervisors to head the various schools.

Annually they tour and examine school provisions, management, and curriculum. On this tour the condition and the needs of the school are also noted. The conditions are studied and taken into account on the annual budget which must be compiled before July 1.

As a result of their investigation at Carl Hayden they granted us a new word study course this year.

Hasbach Directs Job Corps

Anything from planning school schedules for freshman to preparing seniors for college may be required of our counselors. Besides this, the counselors must always be available for help or advice concerning personal problems.

This year, Mr. Hasbach has been granted a one-year leave of absence in order to continue his work as director of the Jobs for Youth Corps. This program tries to provide work for students who need funds to continue their education. Mr. McCullough has replaced Mr. Hasbach in the counseling department until he returns.

New uniforms and a new director combined to give the marching band a new look. The director, Mr. Hector Espinoza, formerly directed the band at Tombstone High School.

Art, crafts and ceramics all come under the jurisdiction of the art department. First year art classes deal with the history of art, taught by films, textbooks and speakers. Other art courses involve laboratory work predominantly.

" . . . **and they said** I should have taken Home Economics!" remarks Dave Begley in an Art Crafts class.

Linda Brisbon soloist prepares for a performance.

Hayden Represents Russia in Model U.N.

Mr. Mazer, head of the Social Studies department, sponsors the annual Snow Bowl trip. This year Mr. Clayton and Mr. Shimer accompanied the Honor Seminar Class on their trip to the Model United Nations in Tucson.

New this year to the Social Science department is Mr. Leonard Gilchrist, originally from Missouri. This year Gilchrist was defensive backfield coach for varsity football. Coach Gilchrist plans to complete his education this summer, and next year to return to Hayden.

English Department Stresses Individual Growth

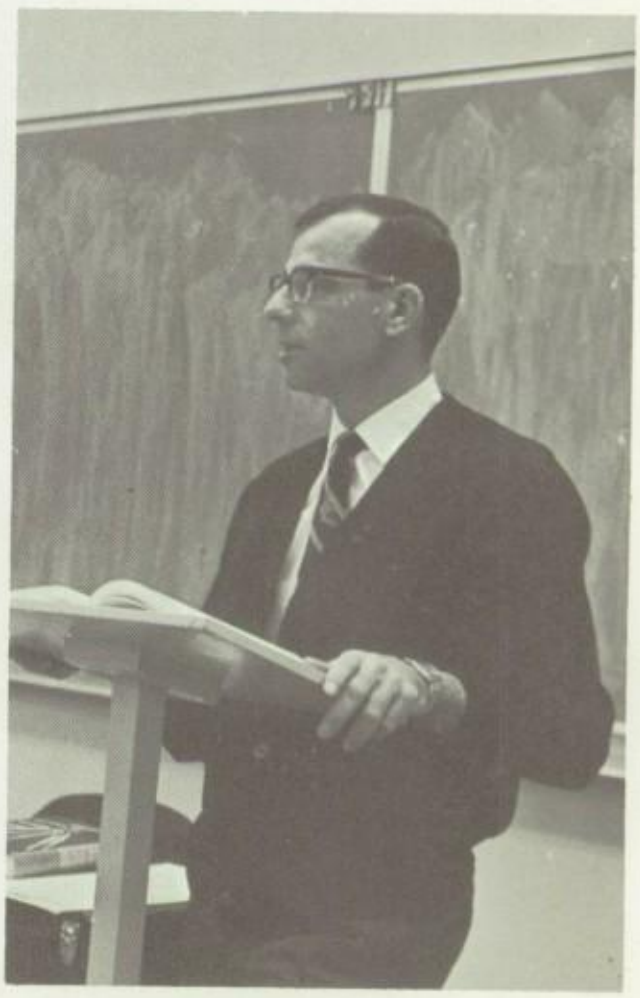
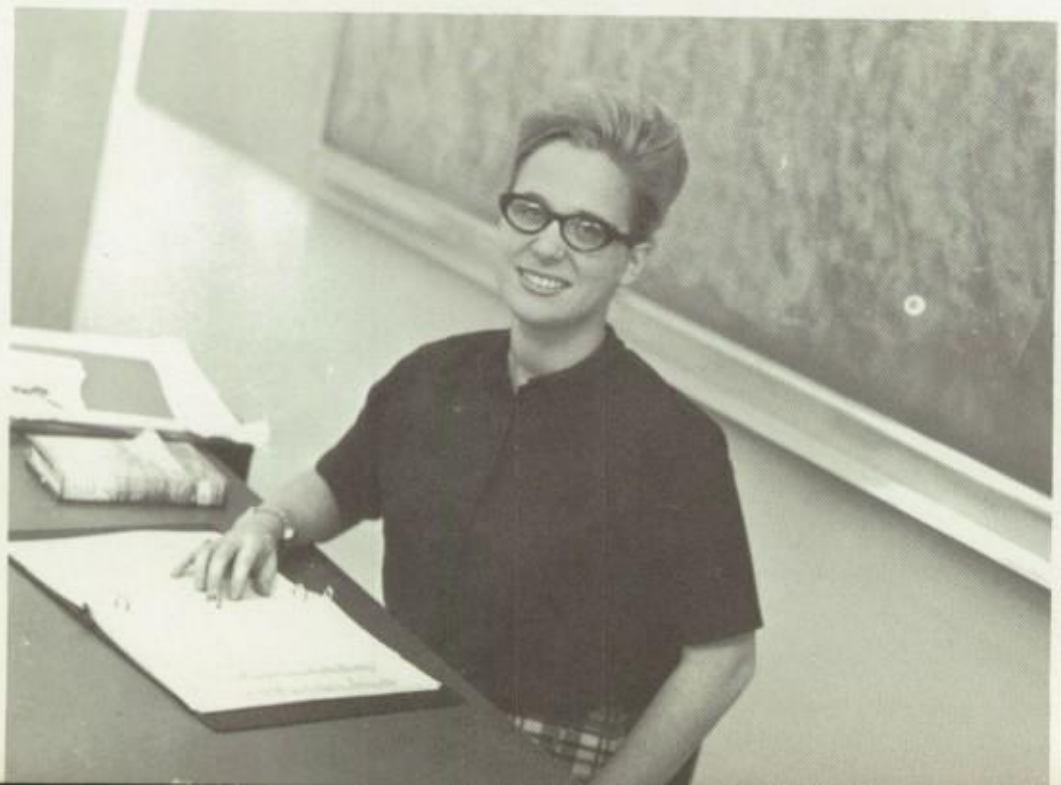
Mr. Philip J. Peterson, Freshman and Sophomore English; **Mr. Sidney Root,** Fr. Basketball Coach, Freshman English; **Mrs. Isabel Stroud,** Junior English.

Communicating ideas and stimulating thought are more important to the English Department than making students memorize basics of grammar or compelling them to accept someone else's interpretation of a poem. The English Department stresses growth of the individual throughout his high school years. With this in mind, freshmen are exposed to different types of literature—short stories, novels, mythology. Sophomores continue along the same line, also taking up drama with Shakespeare's **Julius Caesar.** Juniors concentrate on American literature. Many of them write their first research papers in their junior English classes. Seniors study English literature, beginning with Anglo-Saxon legends and continuing through a chronology of English literature.



Bottom: Faced with her first year of teaching is Miss Robinson, from Tennessee. **Right: Also new to Hayden** is Mr. Clay, sophomore English teacher.



Seven new English teachers joined Hayden's English Department this year. They are Mr. Clay, Mr. Corkran, Mrs. Craig, Mrs. Cromer, Mr. Kemmer, Mrs. Kraft, Miss Robinson, and Mrs. Pennington.

Word Study Background For College

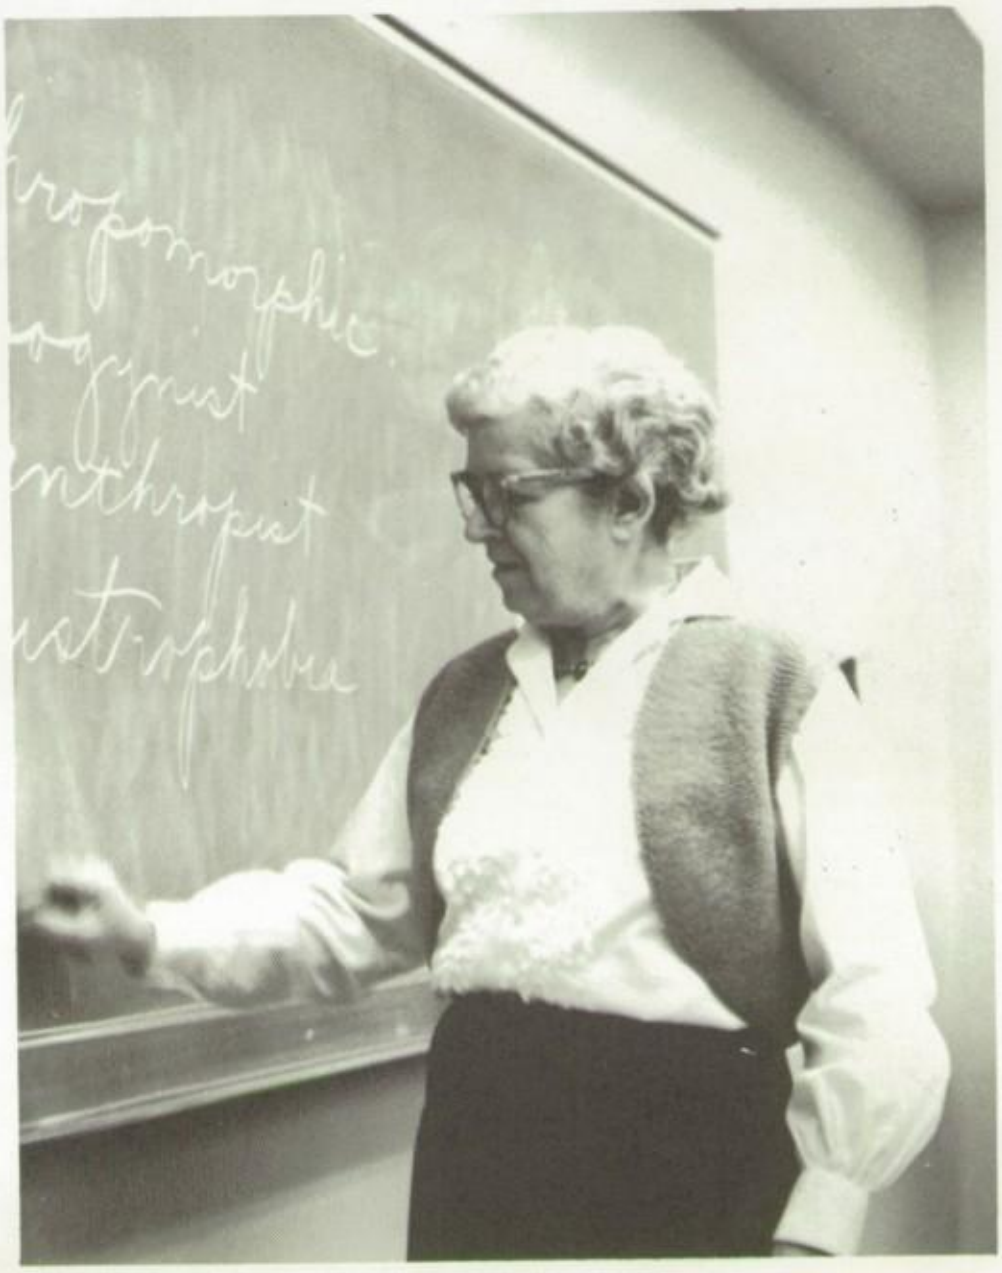
Miss Alba Giuntoli, Spanish; **Mrs. Norma Redmon;** Spanish.

Miss Donna Joy, English, French; **Mrs. Susie Smelser,** Dept. Head, Latin.

A word study course added this year to our language department is a one-semester course offered to juniors and seniors. Students' study of root derivation and word beginnings gives them a basic background for college reading.

In the modern languages, less emphasis is placed on grammar and more on the oral approach.

The language department's goal is to furnish each language room with tape recorders and record players. With each different language, Latin, Spanish or French, films and slides make the classes more interesting for the students.



Right: Mrs. Smelser writes another helpful word for students in her word study class. **Above:** Miss Giuntoli inspects work of one of her students in first year Spanish.

Data Processing Expanded

Row 1: Miss Barbikay Bissell, Typing, Data Processing; **John Bullard,** Typing, Bookkeeping, Record Keeping; **Mrs. Edna Davis,** Typing, General Business, Notehand; **Miss Marilyn Evans,** Typing, C.O.T.

Row 2: James Fleming, Bookkeeping, Typing, Shorthand; **Wallace Menckel,** Department Head, Business Machines, Record Keeping; **Row 3: Paul Nunn,** Marketing, D.E.; **Mrs. Sigrid Powers,** Shorthand, Transcript, Typing, General Business. **Row 4: C. O. Stephens,** General Business, Business Management, Business Law.

First to offer an entire year of data processing is Hayden's business department. The course teaches how to code and punch cards to be fed into automatic data processing machines. Often, students who have taken this course get high-paying jobs upon graduation. Another addition to the business department this year was a dictalab.

Practical Physics Added

Row 1: Mrs. Josephine Apfel, Biology. **Row 2: Roger Davy,** Biology. **Row 3: James King,** Chemistry and Physics. **Row 4: Louis Pena,** Physics and General Science.

Row 1: Kenneth Butler, General Science, Agriculture, and Livestock. **Row 2: Mrs. Thomasena Grigsby,** Biology. **Row 3: Matthew Mc Minn,** Biology.

Top: Explaining a principle of practical physics, Mr. Pena holds Jason Kaye's attention.

Bottom: Substituting for a teacher isn't easy, as Mr. La Grone, taking Mr. Butler's place, knows.

Practical physics, taught by Mr. Louis Pena, has been adopted by the Science Department this year. This course, offered only to juniors or seniors, deals with principles of physics likely to be encountered in everyday life. The regular physics course has made a transition from the math department to the science department, headed by Mr. James King. Regular courses in chemistry, biology, and general science are also taught.

Team Teaching Hits Math Department

Row 1: Owen Hoehne, Algebra, General Math, **Charles Hutcherson,** Algebra, General Math, **Paul McCloy,** Senior Math, General Math. **Row 2: Ralph Quimby,** Algebra, General. **James Tipton,** Plane Geometry, Algebra, General Math.

Row 3: Willie Williamson, Introduction Analysis, General Math, Algebra. **Row 4: Mrs. Marjorie Fox,** Algebra, Plane Geometry.

Team teaching hit the mathematics department, this year. Acting as one team, were Mr. Owen Hoehne and Mr. Paul McCloy. Mr. William Williamson and Mr. Ralph Quimby worked together as the other team. This new technique in teaching gives the student an opportunity to have his questions answered by one of the two teachers walking around the classroom, while the other demonstrated problems on the board or overhead screen. The two teams took turns supervising the demonstrations or answering the students' questions, thus giving the students the chance of learning from two different methods of teaching and from their different ideas.

3x + 2x — 5x according to Mr. Hoehne. Students usually follow up algebra with geometry.

The Home Economics Department sponsored an annual tea at the end of the first semester. The girls sewing class gave a fashion show for the cooking class, in turn the girls cooking class showed off their abilities by serving refreshments they had made.

Human Relations classes were made more interesting by several visiting speakers. An actual alcoholic spoke from his own experience to the classes on the danger and effects of alcohol. A narcotics expert showed a film on narcotics addiction.

Mrs. Post gives pointers on sewing safety. **Above, Home economics** class enjoy their own handiworks.

Electronics Adds Oscilloscopes

Metal shop, wood shop, drafting and auto mechanics are offered by the industrial arts department, headed by Mr. Hoger. This year the electronics shop added a few new meters and oscilloscopes. The study of industry and familiarity with its equipment help boys obtain employment in the future.

Modern Dance Introduced At Hayden

With emphasis on physical fitness, health and sportsmanship, the P.E. classes of Carl Hayden also tried to achieve skills and stressed individual and team competitive sports. Physical Fitness Tests consisting of certain exercises to develop a better physique and stamina were given. When the individual satisfactorily passed these tests, he gained a semester grade of 2 or above, was promoted to a higher caliber P.E. class and given a specific color of shorts to designate his advancement.

Row 1: Miss Regna Breneman; Miss Nancy Kay Larremore; Mrs. Judith Woodward. Row 2: Richard Jacobs. Row 3: Gail Hakes.

Interest runs high as students in the new Modern Dance class rehearse movements and techniques.

Drivers' Ed Required

Mrs. Jennette Banker, Nurse;
Mrs. Ruth Baublits, Librarian;
Miss Vincenza Gagliano, Librarian;
Mrs. Anna Herrington, Senior Cashier Clerk.

Dale B. James, Audio Visual;
S.F.C. Edward Pettengill, R.O.T.C.;
Merle Wackerbarth, Home Visitor;
James Winningham, Driver Education.

Using an opaque projector can be helpful when teaching math, as Mr. Hoehne knows.

Mrs. Banker, school nurse, goes over daily log with one of her assistants.

Among the special services provided by the school are audio-visual equipment and a well supplied library. Drivers' education and R.O.T.C. supplement regular academic instruction. The bookstore handles textbooks and school supplies. In case of accident or illness, students may go to the school nurse.

A school is a mushrooming business; it simply couldn't operate without complicated and time-consuming paper work. This is taken care of by our office staff, the women with a big smile and a kind word for everyone.

Coffee, Tea Or . . . Cocoa?

Long hours of hard work go into preparing a nutritional meal for both students and teachers. Besides providing lunches, the cafeteria staff also serves coffee, cocoa and donuts in the morning.

Mrs. Nappa of the cafeteria staff dishes out another fine meal in the faculty dining room. **Work for the cafeteria** staff begins early. Mrs. Perkins breads another steak for lunch.

Row 1: Donald Jenkins, Ray Dusenberry, Clarence Clark, Bernard Bozner. **Row 2:** Alex Krewski, John Brown, Richard Galaviz, Ray Hernandez, Bill Williams, Leonard Lutes.

Above: Mr. Robbins' daily duty is to patrol the student parking lot. **Above Right:** Students help clean rooms after school.

Keeping shrubs trimmed, lawns green, and trees healthy is the job of our maintenance men. In addition to their more orthodox jobs, they also answer complaints about freezing classrooms, call the office when a physics student climbs a light pole as part of an experiment, and take down license numbers of cars whose lights have been left on in the parking lot. These and many other jobs vital to the smooth maintenance of our school are performed by these patient and hard-working men.

An international organization for boys, Key Club began in Sacramento, California in May of 1925. Sponsored by the Sacramento Kiwanis Club, it carried on a vocational guidance program for the entire high school student body.

It now has over 80,000 members located all over the United States and in every province of Canada.

As a service club, its projects are no longer limited to vocational guidance. This year, members helped in the sale of textbooks to students, ushered at football games, assisted the Salvation Army in their Bell-Ringing Project, and provided a Christmas basket for a needy family.

Sponsored by the West Phoenix Kiwanis Club, Key Club also has a faculty sponsor, Mr. Merle Wackerbarth.

Mrs. Isabel Stroud,
Parnassus Sponsor

Parnassus

Row 1: P. Boyd, President; D. Gonzales, Vice President; K. Lang, Secretary; C. Arthur, Treasurer; D. Nehrbass, B. Koon, A. Finkelstein. **Row 2:** B. Wong, D. Freeman, P. Fisher, R. Nappa, M. In the process of clarifying its membership qualifications, Parnassus recognizes superior scholarship among Hayden students. Collecting its money primarily from dues, it presents a $25 scholarship to a senior girl at the end of each year.

The year's end is celebrated with a carefree spring picnic at Encanto Park. The club provides valuable experience in leadership by electing officers twice a year, thus giving the experience to more students.

Industrial Cooperative Education

I. C. E. Gives Away Turkeys

Row 1: K. Dillingham, C. Singleton, L. Manes, J. McCabe, J. Swanson, R. Orendez, D. Cuoco, M. Stephenson. **Row 2:** Mr. Troxel, R. Wilson, I. Hernandez, T. McManaman, L. Wood, D. McClellan, K. Hawkins, M. Nelson, C. Williams, B. William. **Row 3:** J. Van Pelt, B. Sneeden, W. Griffen, A. Tourville, C. Tellez, I. Homes, D. Kostusiak.

Industrial Cooperative Education is a system which allows seniors to go to school part of the day and work part time, receiving credit for their working hours. Concentrating on industrial and technological jobs, I.C.E. places its students as meat-cutters, cooks, pharmaceutical assistants, and telephone operators.

At the I.C.E. turkey drawing before Christmas, three lucky people were winners of turkeys for Christmas dinner. In the spring, all I.C.E. students and teachers met at a conference to suggest new ideas and methods for improvement in management of the program. An employer-employee dinner was held in May.

Ixohoxi

Row 1: B. Koon, President, C. Arthur, Vice President, N. Olsen, Secretary, R. Rodger, Treasurer, P. Boyd, Sergeant-at-arms. **Row 2:** D. Gonzales, K. Lang, D. Durschmidt. **Row 3:** M. Valenzuela, J. Vail, Parliamentarian, S. Stinnett, D. Yee, W. Knape.

Mr. Tipton, sponsor of Carl Hayden's math club, gave Ixohoxi members the opportunity to show their interest in mathematics.

Ixohoxi members studied forms of math ranging from geometry to calculus. A program was devised whereby more advanced students could aid those in lower classes.

As part of the club's initiation ceremony, each new member reported to the club on some form of math. The annual picnic and baseball game at Encanto Park capped the year's activities.

Slaves Sold At Roman Banquet

Row 1: Mrs. Smelser, Sponsor; C. Arthur, President; S. Clark, Vice-President; N. Cox, Secretary; D. Gonzales, Treasurer; D. Freeman, B. Koon. **Row 2:** M. Coomy, S. Mullins, S. Doerner, T. Ogden, T. Anthony and Cleopatra reigned right along with Caesar and Calpurnia at **Cohors Optimas** Roman Banquet. Boys dressed in togas and girls dressed in stolas, (Roman women's outer garment), reclined Roman fashion on floor mats borrowed from the gymnastic team. No plates or silverware were permitted. Before eating the Romans auctioned off new club members as slaves, who were to serve their masters for the rest of the evening.

Serving as a slave isn't the only membership requirement. Prospective members must also dress in sheet togas and present a reading in Latin or a speech about Roman culture in English to the old members at a special membership meeting.

Enjoying a step back into time is Shelagh Mendenhall. Phil Bryce and James Bentley learn the hardships of being a slave, especially a chained one.

Les Faucons Francais

French Club Takes Trip To France

Row 1: A. Finkelstein, President; K. Boruff, Vice-president; D. Nehrbaes, Secretary; L. Mack, E. Vasquez, Mark Fletcher, D. Lucas, L. Ray. **Row 2:** M. Cork, G. Allen, S. Kirkland, D. Brink, W. Bills, C. Finkelstein, N. Boyer, D. Shope. **Row 3:** S. Yunker, J. Wesley, K. Kennedy, K. Tryon, P. Rhodes, J. Duncan, J. Armour, R. Howard.

"**I know.** Let's get a raft and float across the Atlantic Ocean."

"**What do we** need a raft for? I'll let you guys use my broom and we'll all fly over."

An hour of slides projecting images of the Eiffel Tower, the Arc of Triumph, Napoleon's tomb and other French attractions into their brains made French club members ready to go to Paris by any means, orthodox or not.

However, partially due to broom power failure, the French falcons decided to stay here and prepare themselves for the day they could cross the ocean in a more accepted manner.

They learned French Christmas Carols, observed Mardi Gras customs, and practiced speaking French in anticipation of their eating at Chez Louis, a French restaurant in Scottsdale.

Above: Steve Maupin dons a wig for a French skit.

Les Conquistadores

Spanish Customs Evident At Party

Row 1: G. Smith, R. Perea, K. Weber, C. Whitaker, Miss Giuntoli. **Row 2:** P. Stanley, P. Cloud, R. Tejeda, E. Figueroa, D. Fleming. **Row 3:** G. Ferrero, J. Garcia, S. Doerner, C. Hernandez, J. Romero.

Thirty-cent gifts are not impossible to buy. Los Conquistadores know because they exchanged them at a Christmas Party. Trying to observe Spanish customs as far as possible, they also broke a pinata and scrambled for the contents. Holding bake sales, collecting canned goods for a needy family, and scheduling lectures kept the club members busy. In the spring they went out for dinner at a Spanish restaurant.

Gary Smith attempts to break the pinata at the Spanish Club party.

Mrs. Redmon joins in fun at the Spanish Club party.

Work Displayed In New York Art Galleries

Row 1: G. Allen, L. Schlegel, R. Perea, L. Hunt, F. Lerma, S. Jackman. **Row 2:** Mrs. Bergamo, Sponsor; L. Byers, J. Rubio, D. Freeman, T. Johnson, R. Howard. **Row 3:** A. Wood, S. Grews, B. Kralovetz, F. Fisher, C. Hower, S. Rubell, A. Wright, S. Darnell.

Vying for cash awards and gold keys, members of the Art Club entered some of their work in the New York Scholastic Art Awards contest. All winners had their art displayed in New York Art galleries.

Members also did pen and ink caricatures of teachers, with their permission, and abstract panels for the cafeteria.

On Saturdays they took sketching trips to parks where they could sketch both action and still-life.

Young Scientists Of America

Row 1: Mr. King, Sponsor; C. Arthur, W. Knape, Nancie Olsen, K. Lang. **Row 2:** J. Loyd, R. La Brash, D. Toerpe, S. Doerner, P. Fisher. **Row 3:** R. Rodgers, J. Patterson, D. Kawa, T. Lee.

Studying Optical illusions, Diophantine equations and action of streptomycin on coroplasts captured the minds of the young scientists of America. So did making a Periodic Chart of the Elements and designing a telescope.

Sponsor Mr. King aided the students in working on their projects. They used school facilities but bought all necessary materials themselves.

4-H Club

Junior leaders who have a minimum of three years membership are chosen to help other club members when exhibiting their projects. They give instruction in fitting and showmanship and give hints on how to do the best job with the animals.

Members entered projects in the Arizona State Fair in November, the Angus Judging Day at A. S. U. in December, the A. S. U. Judging Day in January, and the annual 4-H Fair.

Some members were chosen to attend the State Round-up at the U. of A. in Tucson.

Pep Club

Members Make Uniforms

Victory is the battle cry of Pep Club, whose members cheer the teams on and raise the morale of the student body at all games.

Blue jumpers and white blouses for the girls, along with blue vests, white shirts and dark pants for the boys gave a new look to this year's club. Another new addition was the new sponsor, Mr. McMinn.

More goes into the presentation of a play than just the acting. Drama club members who do not act, serve as prompters or make-up artists, arrange to rent costumes and obtain properties, adjust the lighting, or find ways to advertise the plays.

DECA Students Work For Credits

Rosenberg, A. Rogers.

Distributive Education Clubs of America provide opportunities for student growth and development in leadership, occupational understanding, civic consciousness, and social intelligence. Student trainees participate in DECA activities on the local, state and national levels.

Mr. Paul Nunn, who is teacher-coordinator for the DE program is sponsor of the club.

Activities included regional work shops, state leadership conferences, the National DECA Conference, the annual Employer-Employee Banquet, car washes, candy sales and field trips.

Chess Club

Knowledge of chess is not necessary to join the Chess Club, but a desire to learn how to play it. Those who wished to learn were taught by more experienced club members. In order to acquire equipment necessary to play, members donated old chess sets. They hope to eventually be able to buy one good chess set for intra-school tournaments, and several smaller sets for club tournaments.

Mary Neese finds her fun stuffing herself at the G.A.A. pajama party.

"Come on out and have some fun, 'cause all we do is run, run, run." Well, not quite, but the rhyme's the thing when you're reciting a poem to advertise your club at an all girl assembly.

Besides running, G.A.A. girls washed cars, baked cookies, and wore granny dresses. Since these dresses weren't normally allowed at school functions, G.A.A. held a dance called, "Turkey Stomp, Granny Style," in which "grannies" were not only allowed, but expected.

G.A.A. has sport playdays with other schools and sponsors a Spring Girls' P.E. Banquet.

F.B.L.A., which stands for Future Business Leaders of America, tries to develop competent, aggressive business leaders. Anyone interested may join. The club raises money by having bake sales and car washes to give a scholarship to a deserving senior.

At the beginning of the school year, the Fellowship Club helped special education students adjust to school life. Later in the year, the club members produced a skit on the humanities at the Brotherhood Assembly. They also helped select representatives to N.C.C.J., Anytown, the West High Brotherhood Conference and I.H.S.B.C. Human relations teacher Mrs. Post sponsors the club.

"Does anybody want to buy a cookie?" The faces were different, but the words were the same. For several days Mr. Mazer, sponsor of the Social Science Club, had been sending girls, two by two, around to classes invited on the upcoming Snow Bowl trip. The more cookies sold, the less the cost of taking the trip.

Other bake sales and a car wash also helped defray the cost of chartering a bus for participating. Once at the Snow Bowl students rode the ski lift, went tobogganing, or just played in the snow, bringing back a multitude of used rolls of film, wet feet, and red noses.

Mr. Mazer club sponsor, spends much of his spare time in the darkroom making pictures for the **Statesman.**

Any varsity letterman is qualified for membership in the Letterman's Club, provided he attends the meetings and pays his dues.

A varsity letter may be earned in any of these sports—football, basketball, baseball, cross country, wrestling, track, tennis, golf, or gymnastics. The letter is a symbol of good sportsmanship, hard work, ability, and desire.

At a varsity awards banquet each year, varsity award winners receive their awards along with a few comments from the coaches.

Sports trophies wait to be given to players at the banquet.

Nearly every afternoon in early January, Gymkhana boys could be seen out working with the horse, parallel bars and trampoline, besides doing free exercises and tumbling. They were getting in shape for a January assembly here at Hayden. They also had meets and gave performances at Alhambra, North, South and Isaac schools.

When not working out, they ran errands for teachers and helped Coach Jacobs, club sponsor, clean the gym and check out equipment. They also took time for a picnic at South Mountain Park, complete with horseback riding, mountain climbing and lunch.

Cutoffs, curlers and sweatshirts are clothes considered by Girls' Leaguers as appropriate for nothing more than lounging around the house. At an assembly early in the year, they conveyed their ideas on dress to the girl population of the school. At the same assembly, they introduced girls who had gone to Anytown and Girls' State. They told of the opportunities to meet new people and to learn about their ideas and beliefs. A parade of clubs in which most clubs were represented, helped acquaint freshman girls with Hayden activities.

Red, silver, white and green decorations welcomed students to "Christmas Enchantment", the Girls' League Christmas formal.

An October workshop in Tucson gave officers a chance to exchange ideas with Girls' League representatives from all over the state. New officers were inducted in May.

Honors Seminar Sponsors Forum

Lively debate took place at student-faculty forums. Such topics as Compulsory Flag Salute, U.S. Policy in Viet Nam, and Should Communists Be Allowed to Teach in Public Schools were discussed.

Honors Seminar, began in 1963, encourages students to expand their interests and to view a problem from many angles. Through their own research into a question that is of interest to them, the students are exposed to many ideas, facts, and opinions. In this way, each individual can decide for himself what values will shape, his life.

In the last three years the Honors Seminar has participated in such activities as the Model United Nations, faculty and student forums, visits to our state legislature, as well as library research. Through experiences such as these Seminar members have gained an insight into many areas of our government and social environment. Through seeking to better understand the problems that face our world, they find it easier to understand their own problems and in so doing, make their lives more meaningful.

Wosey Board Is All Thumbs

Student Government is known as the student executive board, advised by Mr. Woodrow LeSueur. Its job is to co-ordinate activities such as, Homecoming, Campus Queen elections, student dances, and assemblies. There are also many different committee chairmen which take care of most campus activity arrangements.

The board sponsored a "spirit week" with many events, such as throwing pies, voting for student baby pictures, and measuring for the longest ears, nose, and thumbs.

Wild, Wild West Takes Over Rodeo Assembly Is Great Success

The wild, wild West came to Hayden on March 24, dubbed "Western Dress Up Day". At the assembly card sharks and dance-hall girls enacted a true melodrama to the tune of "You Are My Sunshine", played by the Spectrums. Batman, Secret Agent 007, and Honey West intervened to save the day.

Tough-looking cowboys and cowgirls roamed the campus. Overalls, western shirt and hillbilly hat earned Dave Tolliver and Bob Howry recognition for originality. Diana Krah was also recognized for originality, but on a more feminine scale. Winners of the beard growing contest received gift certificates from Chris-town.

Traditional Mums were sold to develop pre-Homecoming spirit.

Half-time festivities for Homecoming were celebrated this year in a new fashion. Riders on bicycles built for two were followed by the Homecoming candidates in a fringe-topped surrey drawn by Chestnut Bay horses.

The colorful costumes worn by the students brought to life the days of the "Gay Nineties." Girls were dressed in floor-length dresses of various colors with matching parasols. Their escorts wore striped jackets and panama hats.

All during the week the traditional Homecoming mums bearing the blue initials C H were sold. The excitement was climaxed Friday night by the crowning of the new King and Queen, Jim Logue and Marla Hansen.

The new Homecoming Royalty for 1965-66 are Miss Marla Hansen and Mr. Jim Logue. The official crowning took place Friday night at the annual Homecoming dance.

An R.O.T.C. program was established at Hayden three years ago. Since this time many boys have signed up for the course. It not only provides officer training, but gives boys the experience of giving and taking orders as well as cultivating the habit of self discipline.

This year there are two companies. The members of these companies join in many other activities included in the program such as a drum and bugle corp, batallion and company color guards, and a rifle team. This year Hayden's R.O.T.C. was chosen the best batallion in the Veteran's Day Parade.

A federal inspection is conducted every year.

Drama Club Presents One-Act Plays

Mrs. Robertson, the only drama teacher at Carl Hayden, spends a great deal of time helping interested students in displaying their acting talent. Hours outside of the classroom are spent memorizing lines, learning the art of make-up, and acquiring that special something that makes you really good on stage.

The Drama Department has presented many fine plays this year, among these "The Marriage Proposal", "The Devil and Daniel Webster", and "The Stolen Prince." Many other projects are planned for the remainder of the year.

Band Members Get New Uniforms

Band students participated in U. of A. Band Day, the Phoenix Union District Festival, the Rodeo Parade, A.S.U. Band Festival, a Spring concert, and they played at graduation.

Many performances given during the half-time at football games provided enjoyable entertainment for students. Diane Diaz, the only majorette this year, displayed her talent along with drum major Bill Brown.

This year the band acquired not only a new sponsor, Mr. Espinosa, but also new uniforms.

The "miniature mighty mights" finished with a great 8 win-one loss season, taking first place in Division III in the state. Both the coach and the team expended great effort; thus they played exceptionally fine ball, in practice play as well as in actual games.

The Freshman team also displayed considerable spirit. Their season of 6 wins, 2 losses, and 1 tie was attributed to high morale and the leadership of coach Winningham. Dean Cristie, Frank Chavez, and Joe Ledezma fought extra hard and gained recognition from the coaches and fans.

Though some people think a cross country runner, must be tall and lanky, many of these members also qualify for other sports. The most important qualification is the will power to work hard.

Special acclaim goes to team captain Richard Arellanes, Rudy Chavez, and Frank Villa, all cross country members for three years. With their special effort they helped achieve the team's 8 win—2 loss record, thus gaining second place in the division. Also we acknowledge the efforts of David Walker and Eddie Swauger, who often ran barefooted to save shoes; Manuel Martinez, third year letterman, and Angel Miranda, first track man in Hayden history to run the mile under five minutes.

Tino Reyes runs a few practice rounds around the track. **Coach Goss helped** and encouraged the boys.

Bob Dupont was noted as the most promising harrier on the J.V. team.

Frosh Start

Freshman Cross Country is by no means a glamour sport, but one that requires hard work. Cross Country for these boys is a sport that makes up for not being big enough to play football or other such sports. The Frosh had a very good season: six wins—three losses.

Pete Tuccio's Falcons, led by all-city center Rudy Santa Cruz, scrapped to tie the best cage mark ever for an 8-12 overall for the season. The inconsistent Falcons pulled two fine upsets over state-leading Pueblo 59-56, and league-leading Phoenix Union 71-62. For the first time in school basketball history the Falcons won the opening game over Alhambra and showed promise. After losing a squeaker to arch-rival Maryvale in the first round **54-53,** revenge was sought by the Falcons in the second round with a 59-56 win.

All-City center Rudy Santa Cruz led the team attack, averaging a remarkable 23 pts. per game. Bob Howry (the "moose") hustled in 11 pts. and 12 rebounds a game. After a slow warm-up, Rick Lawrence provided the long-range fire power for a double figure scoring average of 10 pts. per game. Dave Norman was the team's playmaker, enthusiast, and real hustler with 5.5 pts. and 5 assists per game. The fifth man on the team, the only junior starter, was Tony Siordian, who chucked in 10 pts. per game in his first full Varsity season. Tony and Damon Mays will be back again next season.

Despite a losing season, 3—15, the J.V.'s, under direction of Mr. Carr, gained valuable experience that will help them in future years. One of the highlights of the season was the thrashing of school rival Maryvale 47—45 where the Falcons looked like a real hustling team. 'Hustle' And 'Togetherness' Become By-Words

Row 1: C. Bowers, H. Pena, E. Arce, L. Arce, E. Swauger, S. Allen, **Row 2:** Coach Baniewicz, S. Mirelez, B. Malatesta, R. Ramos, T. Smith, T. Crooks, R. Avillar, F. Numkena. **Row 3:** J. Hamilton, J. Patterson, A. Hamilton, B. Howry, J. Reagon, T. Shackelford, T. Kennedy.

Inspired by the strong back-to-back pitching of Terry Smith and Bob Howry, Falcons looked to the Varsity Baseball team for a winning season.

Former Arizona State University baseball player, Coach Don Banewicz has delivered outstanding guidance in his first year as varsity coach. Seniors Tom Crooks and Art Hamilton provided consistently fine hitting. Juniors Tom Shackelford, Larry Arce, Eddie Arce, Ruben Avillar, and Bill Malatesta have given depth to the team. "Hustle" and "togetherness" are by-words which apply to every phase of baseball at Carl Hayden. The players' work to become schooled both physically and mentally. All these factors have made Carl Hayden the "team to beat" in Varsity baseball this year.

Coach Baniewicz spent many long hours teaching almost all fundamentals of the game to his players.

Row 1: J. Hamilton, S. Allen. **Row 2:** C. Bowers, R. Ramos, T. Smith, E. Swauger, T. Crooks. **Row 3:** J. Patterson, A. Hamilton, B. Howry, J. Reagan, F. Numkena.

In his second season with the Varsity team, John Patterson, outfielder, backhands a fly ball.

Rudy Ramos, one of the team's most inspirational players, blocks a wild pitch.

Varsity hurler Terry Smith, who gave opposing batmen many headaches, fires another strike.

Row 1: H. Pena, E. Arce, L. Arce, P. Ruelas, M. Ridean. **Row 2:** J. Wheeler, B. Snider, K. Clark, T. Malatesta, D. Flores, Coach Root. **Row 3:** T. Burkes, L. Minks, K. Mcalister, A. Hickman, T. Dempsey.

Junior Larry Arce, an outfielder, throws the ball in for an out.

J.V.'s Lack Experience

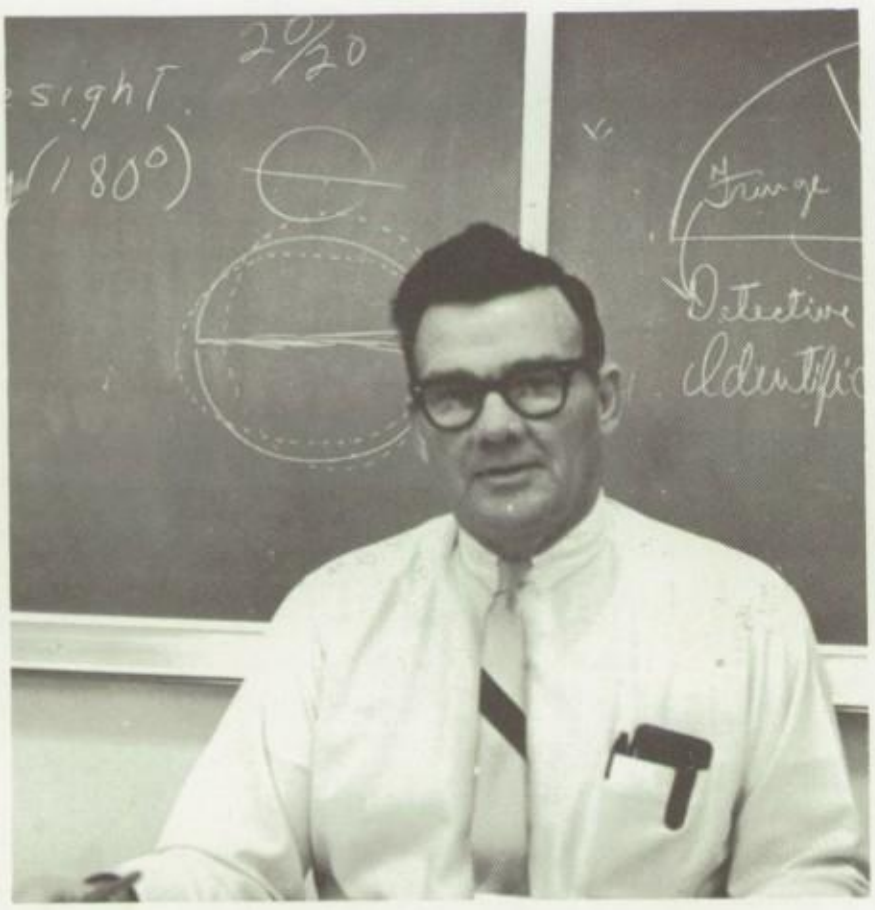
Ruben Avillar, a promising junior catcher, showed great desire to be a ball-player.

Getting ready to make a home run is Henry Pena, a junior.

Lack of experience characterized the JV baseball team at Carl Hayden again this year. In his first year as a baseball Coach, Mr. Root found several reliable players from the Freshman teams of 1965. With such players as Pete Rules and Allen Hickman, the Hayden team was one of the finest in the city. This team, like the varsity, put in long hours of practice and lots of effort to make their team the best yet. Some Varsity boys who helped the team out on the J.V.'s were Eddie Arce, Larry Arce, and Henry Pena. The J.V. team showed a great deal of appreciation to these three boys for giving their best abilities to the team work that was needed.

Batmen Call For Aspirin

Row 1: T. Adams, J. Acuna, J. Henniger, H. Jacobs, T. Mosley, B. Clark. **Row 2:** B. Maleterno Mgr. R. Hanks, P. Sainz, R. Neal, R. Allen, L. Price, R. Watson. **Row 3:** Coach Winningham, C. Bagley, D. Christie, T. Crabtree, D. Marusich, R. Bates, S. Leister, J. LeDesma.



Coach Winningham, also the Drivers Education teacher, puts in many hours in helping the boys on the Frosh-Baseball team.

Mr. Winningham, veteran Frosh baseball coach, said, "This is the year we **Win.** I have never had a team with so much talent. I have boys who can run, throw and hit. Lack of experience in playing is one big obstacle that could give us trouble." However, the boys mastered basic skills in actual game situations on the playing field. His players worked hard and long and showed good evidence of it. Coach Winningham feels that pitching is most important in every ball game but Joe LeDesma, freshman hurler, gave opposing batmen many headaches.

Trackmen Show Early Form

Row 1: G. Velasco, R. Jones, J. Powell, M. Martinez, F. Carter, G. Skriba, T. Morales, J. Kaye, P. Vaughn. **Row 2:** R. Arellanes, Coach Hutchenson, R. Chavez, B. Bowers, D. Crouse, J. Logue, J. Tidwell, T. Reyes, A. Miranda, J. Hull. **Row 3:** B. Nard, S. Pierce, D. Powell, H. Snyder, E. Glaser, E. Smith, G. Ferrero, F. Villa, Coach Hakes.

Long hard hours after school plus great determination sum up what a boy must have to become a good trackman. Even though every boy is an individual and earns individual points, the final score is the team's. Returning lettermen were Jim Logue, a sprinter and discus thrower, Jim Powell a dash man, Jay Kersey shot-putter, and Frank Villa, Manuel Martinez, and Rudy Chavez, distance runners.

Many practices and run-throughs are needed to perfect skills in track—handing the baton to another is one of these.

Shedding his warm-up suit, a C.H.H.S. trackman prepares for a meet against South.

"SPIDER"

Up and over go the J.V. trackmen over the high hurdle.

J.V. track—Even though we didn't have a big turnout this year, we got boys who were willing to work and win. Most of the squad were sophomore boys who were on the Frosh team last year. The J.V. team is now a future Varsity team, with all the boys working hard to become a Varsity man next year.

Frosh Track—Excercise, running and learning techniques make up the Frosh track practice every day. Many promising tracksters are made here. One thing at Hayden is that the boys lack experience. With a lot of depth and desire in the team they could go on to be one of the better teams at Hayden.

Practice Makes Perfect

Practice makes perfect, as David Powell, polishing up on heaving the shot put, knows.

George Skriba and George Ferrero burst from the starting blocks with ease and determination typical of C.H.H.S. trackmen.

After almost every high jump the "Pit" must be shoveled up and kept free of litter.

Greg Lane, Sophomore, is on the way to becoming a great hurdler at CHHS.

State Champion two years in a row, a varsity wrestler four years, a friend to many, a leader at school and a recipient of four beautiful trophies at the fall awards Banquet. These all go to deserving, hard-working Manny Martinez.

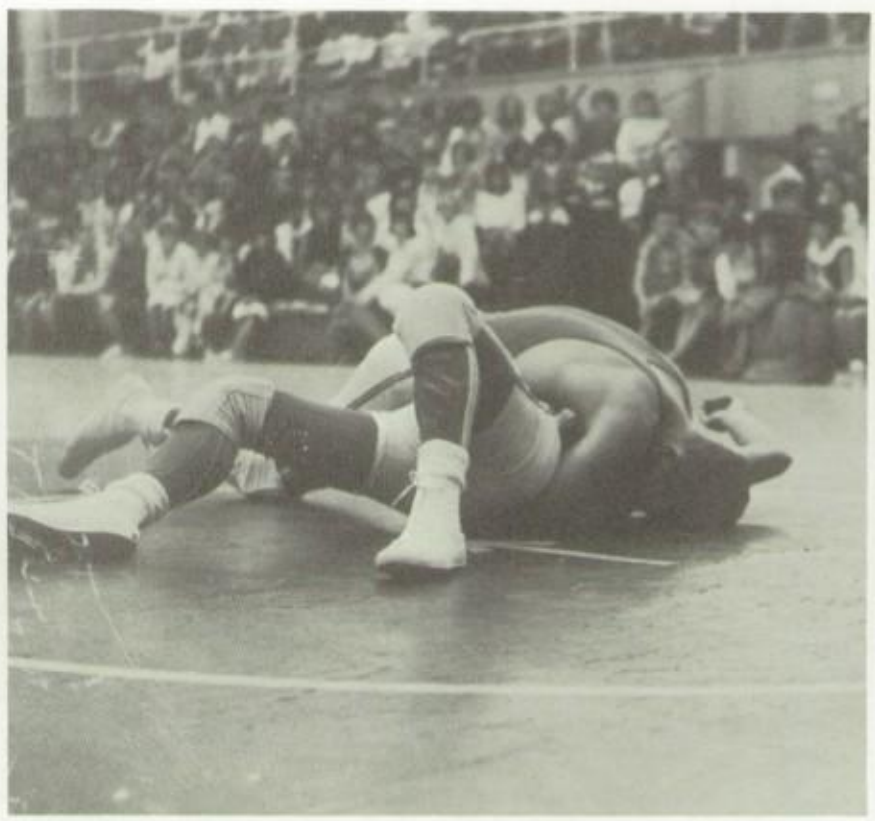
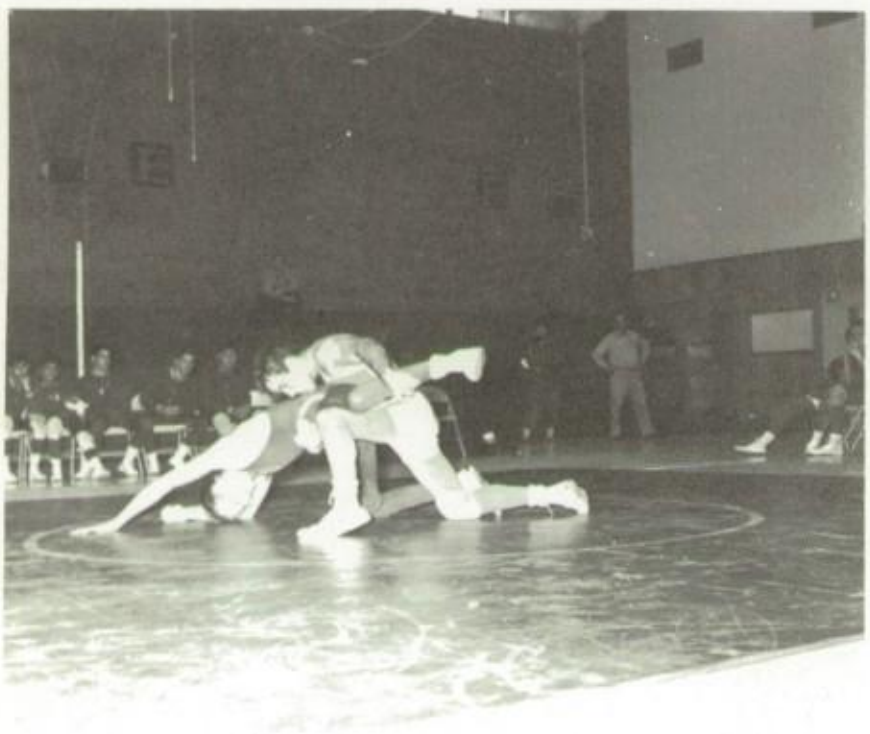
Junior Mickey Oviedo is uphanded, but later got up on top and won his match.



Senior Bob Nard demonstrates pin on fellow wrestler during a fall assembly.

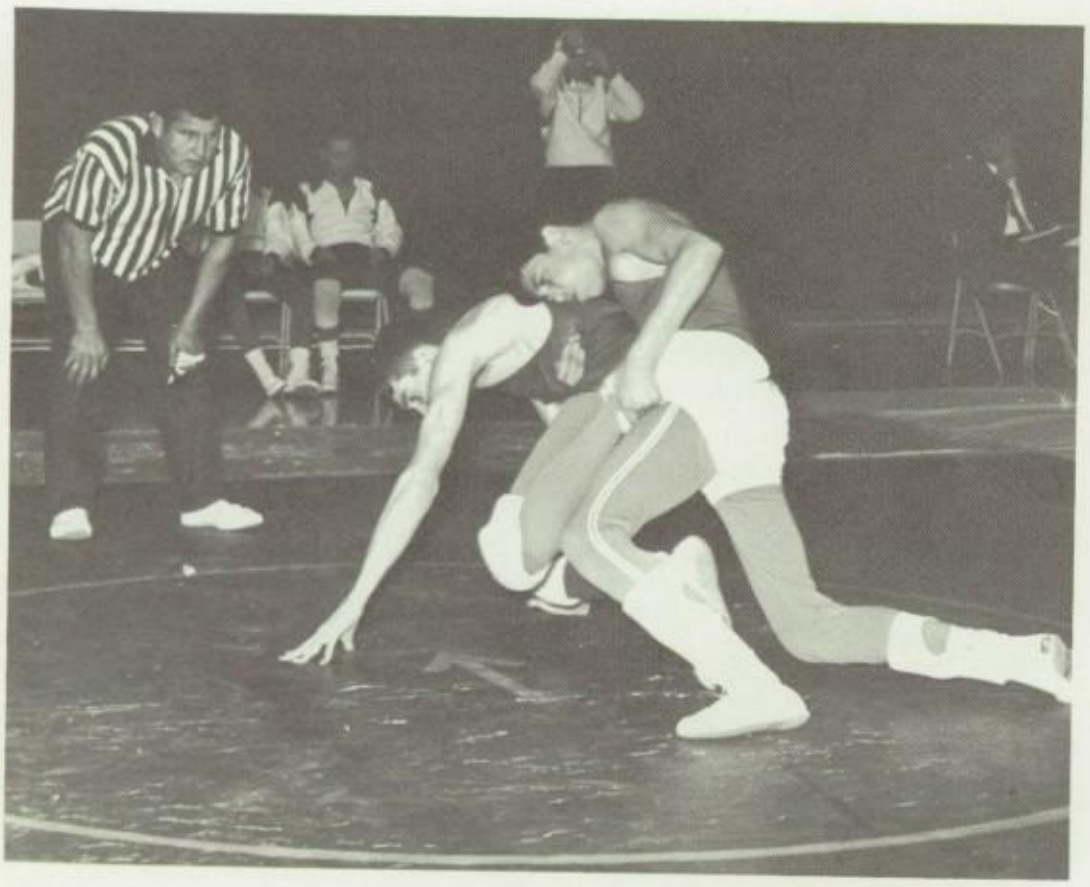


Mighty mite Kenny Wilson works hard to bring man down to mat in a match against North High School.

Varsity wrestlers turned in another outstanding season. After a 3-8 season last year coach Arredondo spent many exhausting hours to put together an 8-3 record for another outstanding varsity wrestling season. Washington, P.U., and Camelback were first to fall by scores of 24-16, 31-17, and 26-18 respectively. West was first to hand the Falcons a loss, by a score of 25-21. The grapplers bounced back and defeated Rincon and Central by 41-9 and 21-17. Disaster struck the Falcons with Alhambra and Maryvale handing them their final two losses by a 26-14 and 28-11 note. The Varsity wrestlers came back and coasted to wins over South 27-16, Mesa 31-8, and North 37-9. Compiling outstanding season records for the Falcons were seniors Manny Martinez, Jessie Gamboa and Bob Nard. Jessie Gamboa had a record of 18 wins and 4 losses; and Bob Nard 16 wins 4 losses and 1 tie. Jessie finished 4th and Bob 3rd in their respective weight. Outstanding returning lettermen for next year are Rick Gunning, Guieseppe Fiore, and Dennis Correll.

Row 1: H. Apodaca, B. Miles, A. Chavez, R. Barrera, G. Fiore, M. Hickson, **Row 2:** J. Eastridge, D. Dimas, J. Romero, D. Maldonado, J. Huizar, R. Gunning. **Row 3:** Coach Hutcherson, D. Moody, E. Calles, G. Velasco, R. Davis, H. Sainz, J. Guerra.

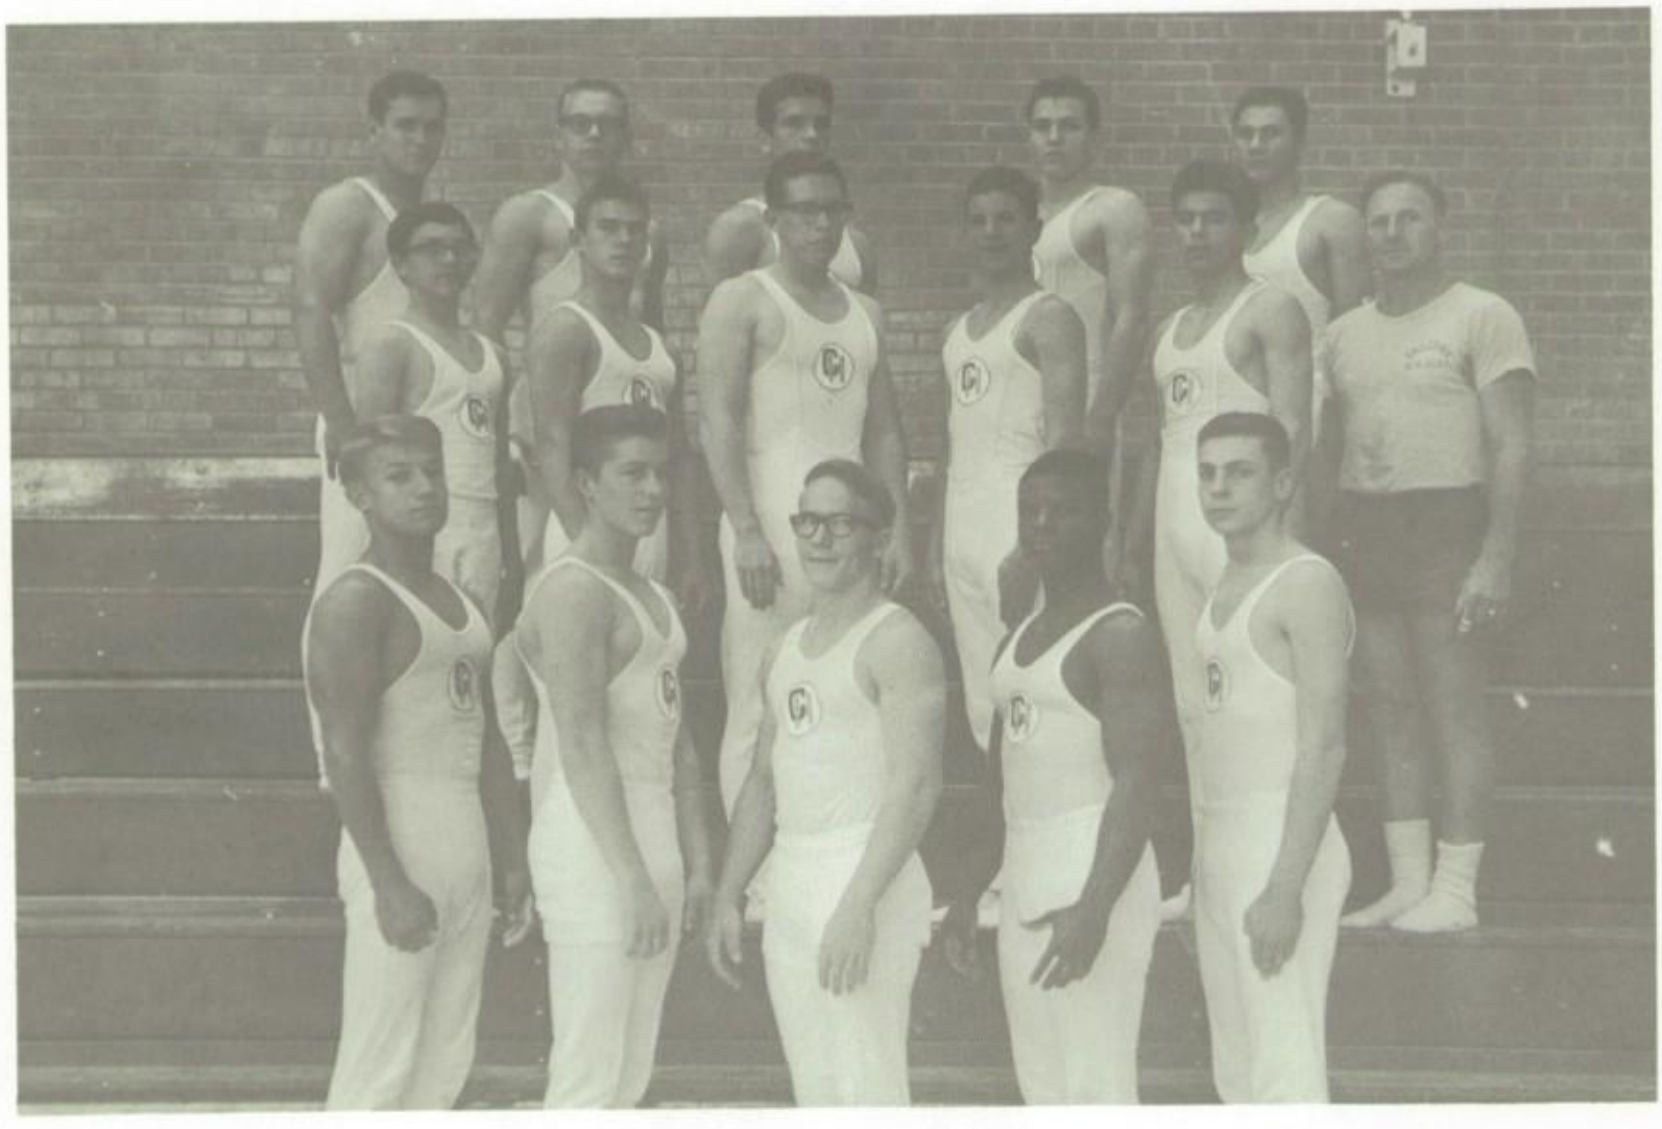
Hard Work Produced Fine Wrestlers



George Velasco breaks his opponent down to enable him to get the pin and win his match.

Under the guidance of Coach Hutcherson, the J.V. grapplers showed promise early in the year. Made up mostly from the Frosh squad, the J.V. boys practiced strenuously all season long. Coach Hutcherson worked hard all season helping, teaching and showing the wrestlers different moves and holds. This year they have spent long hours on the J.V. team to gain experience which will prove valuable in their varsity years.

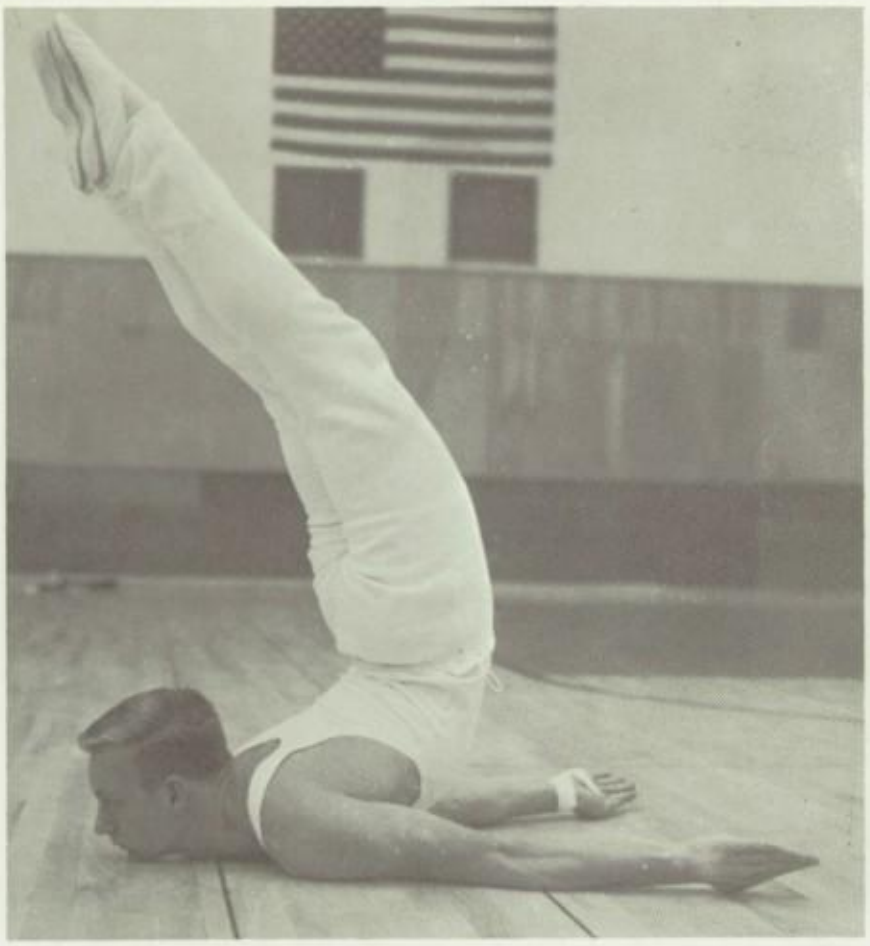
Gymnasts Upset State Champs



Row 1: L. Engle, T. Kable, D. Bremer, N. Boyer, L. Scott. **Row 2:** F. Astaire, T. Bunch, R. Harrington, M. Capobianco, J. Candelaria, Coach Jacobs. **Row 3:** B. Moran, B. Forrey, L. Kuhn, M. Meixsell, R. Euzarraga.

Terrific, that's the word for the CHHS 1966 gymnasts. They had five meets and won them all. With consecutive wins over Phoenix Union, South, Pueblo, Tucson and Rincon, the gymnasts looked in everyway the best ever. Nat Boyer and Dick Bremer produced most of the Falcon's points with Boyer being the all-around man three times. Every boy on the gymnastic team worked hours after school to master his specialty. Even though every boy gets individual points, in the end, the team with most combined points is declared the winner.

Exhibiting good balance performance is Dick Bremer.



Don Forrey shows gracefulness in free exercise.

Nat Boyer demonstrates individual aspect on iron bars.

Gymnasts Show Great Exhibition

Balance and concentration help Tommy Bunch to become skillful on the bars.

Practice and more practice is a very essential thing for the Varsity and Junior varsity gymnasts in order to perform perfect exhibition.

Tennis Tried Again

Showing much promise were the J.V.'s tennis team. Although they didn't start their season off as well as they hoped too, they put up a good strong fight for most of their matches.

The top men on the team were Richard Sisk, Arnie Regalado and Manuel Chavez. Arnie Regalado, showing great promise, played on Junior Varsity and Varsity for a couple of games. Manuel Chavez is next, he was moved from ranked position ninth to seventh position on the ladder. Arnie Regalado and Manuel Chavez showed great team work playing in doubles matches.

Paul Doyle, Dale Shope, Richard Sisk, Manuel Chavez, Coach MacDonald.

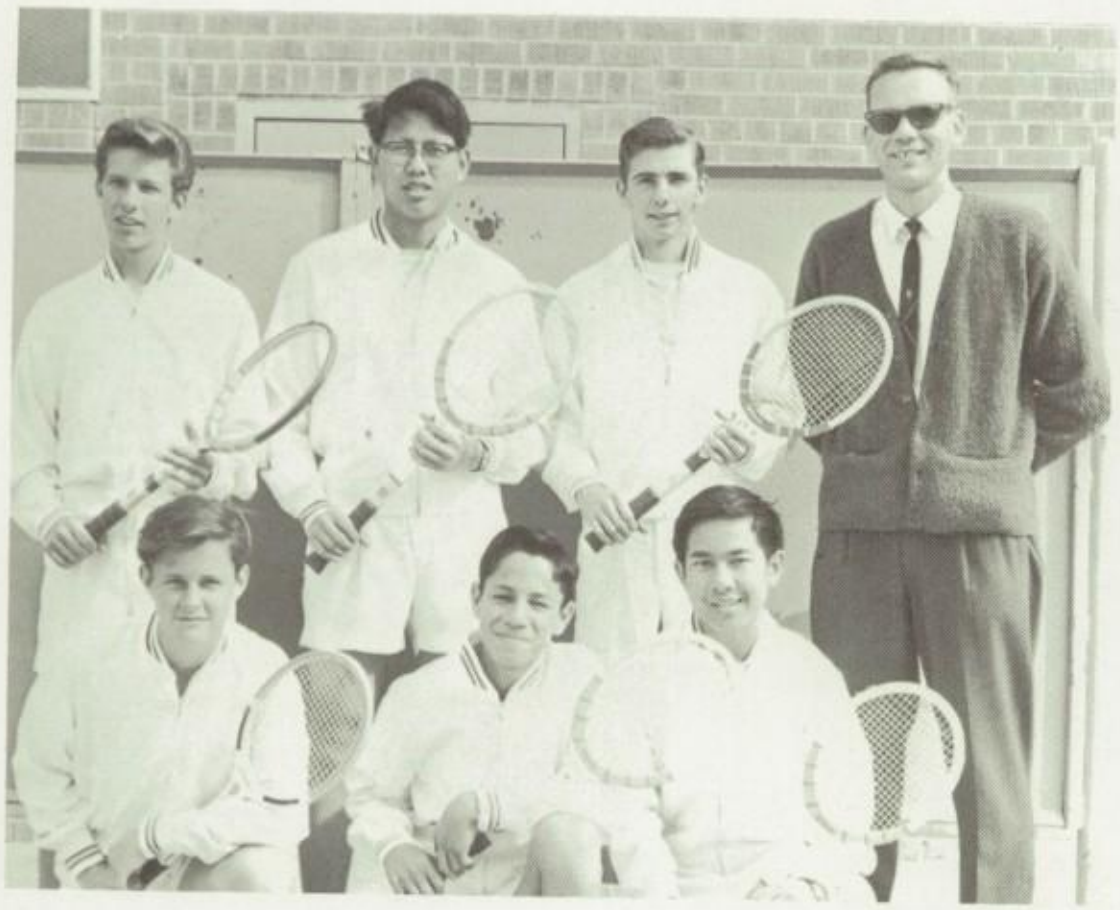
Freshman tennis had boys that were very enthusiastic and learned very quickly what they had to learn. All of the boys were able to play on Varsity or Junior Varsity teams.

John Swanson seemed to have been the most enthusiastic and encouraged many of the boys to join the Frosh tennis team. John also showed great ability to play on Frosh, J.V., and Varsity tennis this year.

Coach MacDonald has done a good job in training these boys on the tennis teams and many thanks go his way.

Paul Doyle, Arnold Regalado, John Swanson.

Koon Leads Varsity Team



Row 1: P. Bryce, D. Yee, J. Smith. **Row 2:** J. Swanson, A. Regalado, B. Koon, Coach MacDonald.

Although the varsity tennis looked like it had great promise it was put down by Camelback in its first game. The team was all prepared and ready to win their next meet with West and it was called off on account of rain. The Tennis team had an extra game with Tolleson High and the boys put up a very good fight for this match.

Boys who showed great promise to the team were Bruce Koon, who took over first place defeating Dean Yee in a rank match. Phil Bryce is showing great potential in playing within the top three players on varsity.

Bruce Koon demonstrates approach to hitting the ball. He spent many hours practicing after school.

Dean Yee served ball over net, knows that to be a good player you must have a good serve.

Row 1: M. Heredia, K. Hodge, S. Little, J. Lawlor, H. Tejeda, R. Tejeda, C. Weber, N. Bennett, Nancy Cobos, L. Lewis, **Row 2:** M. Gonzales, B. Wilson, J. Schaeffer, C. Heredia, S. Heredia, O. Silva, O. Reyes, S. Landen, D. Langley, S. Gonzales.

I made the bulls eye! That is what the archery girls consider the yellow goal on the target. The girls in archery try out for state competition against other high schools and then they all meet at Tempe and compete against fellow archers.

This year Barbara Wilson, Jenny Lawlor and Susan Little, tried out so that they could compete in state.

Pulling out arrows and checking your score go along with learning how to shoot the bow and arrow.

Like many of the other sports, Badminton requires a lot of time and practice. Badminton is taken as a class, requiring extra time besides class time. The girls in this class work not only for a grade but also to achieve skill in playing. With the help of Miss Larremore, their new coach, the girls had a good season. They considered their "spark plug" Paula Jones, who really kept the team going both in work and play.

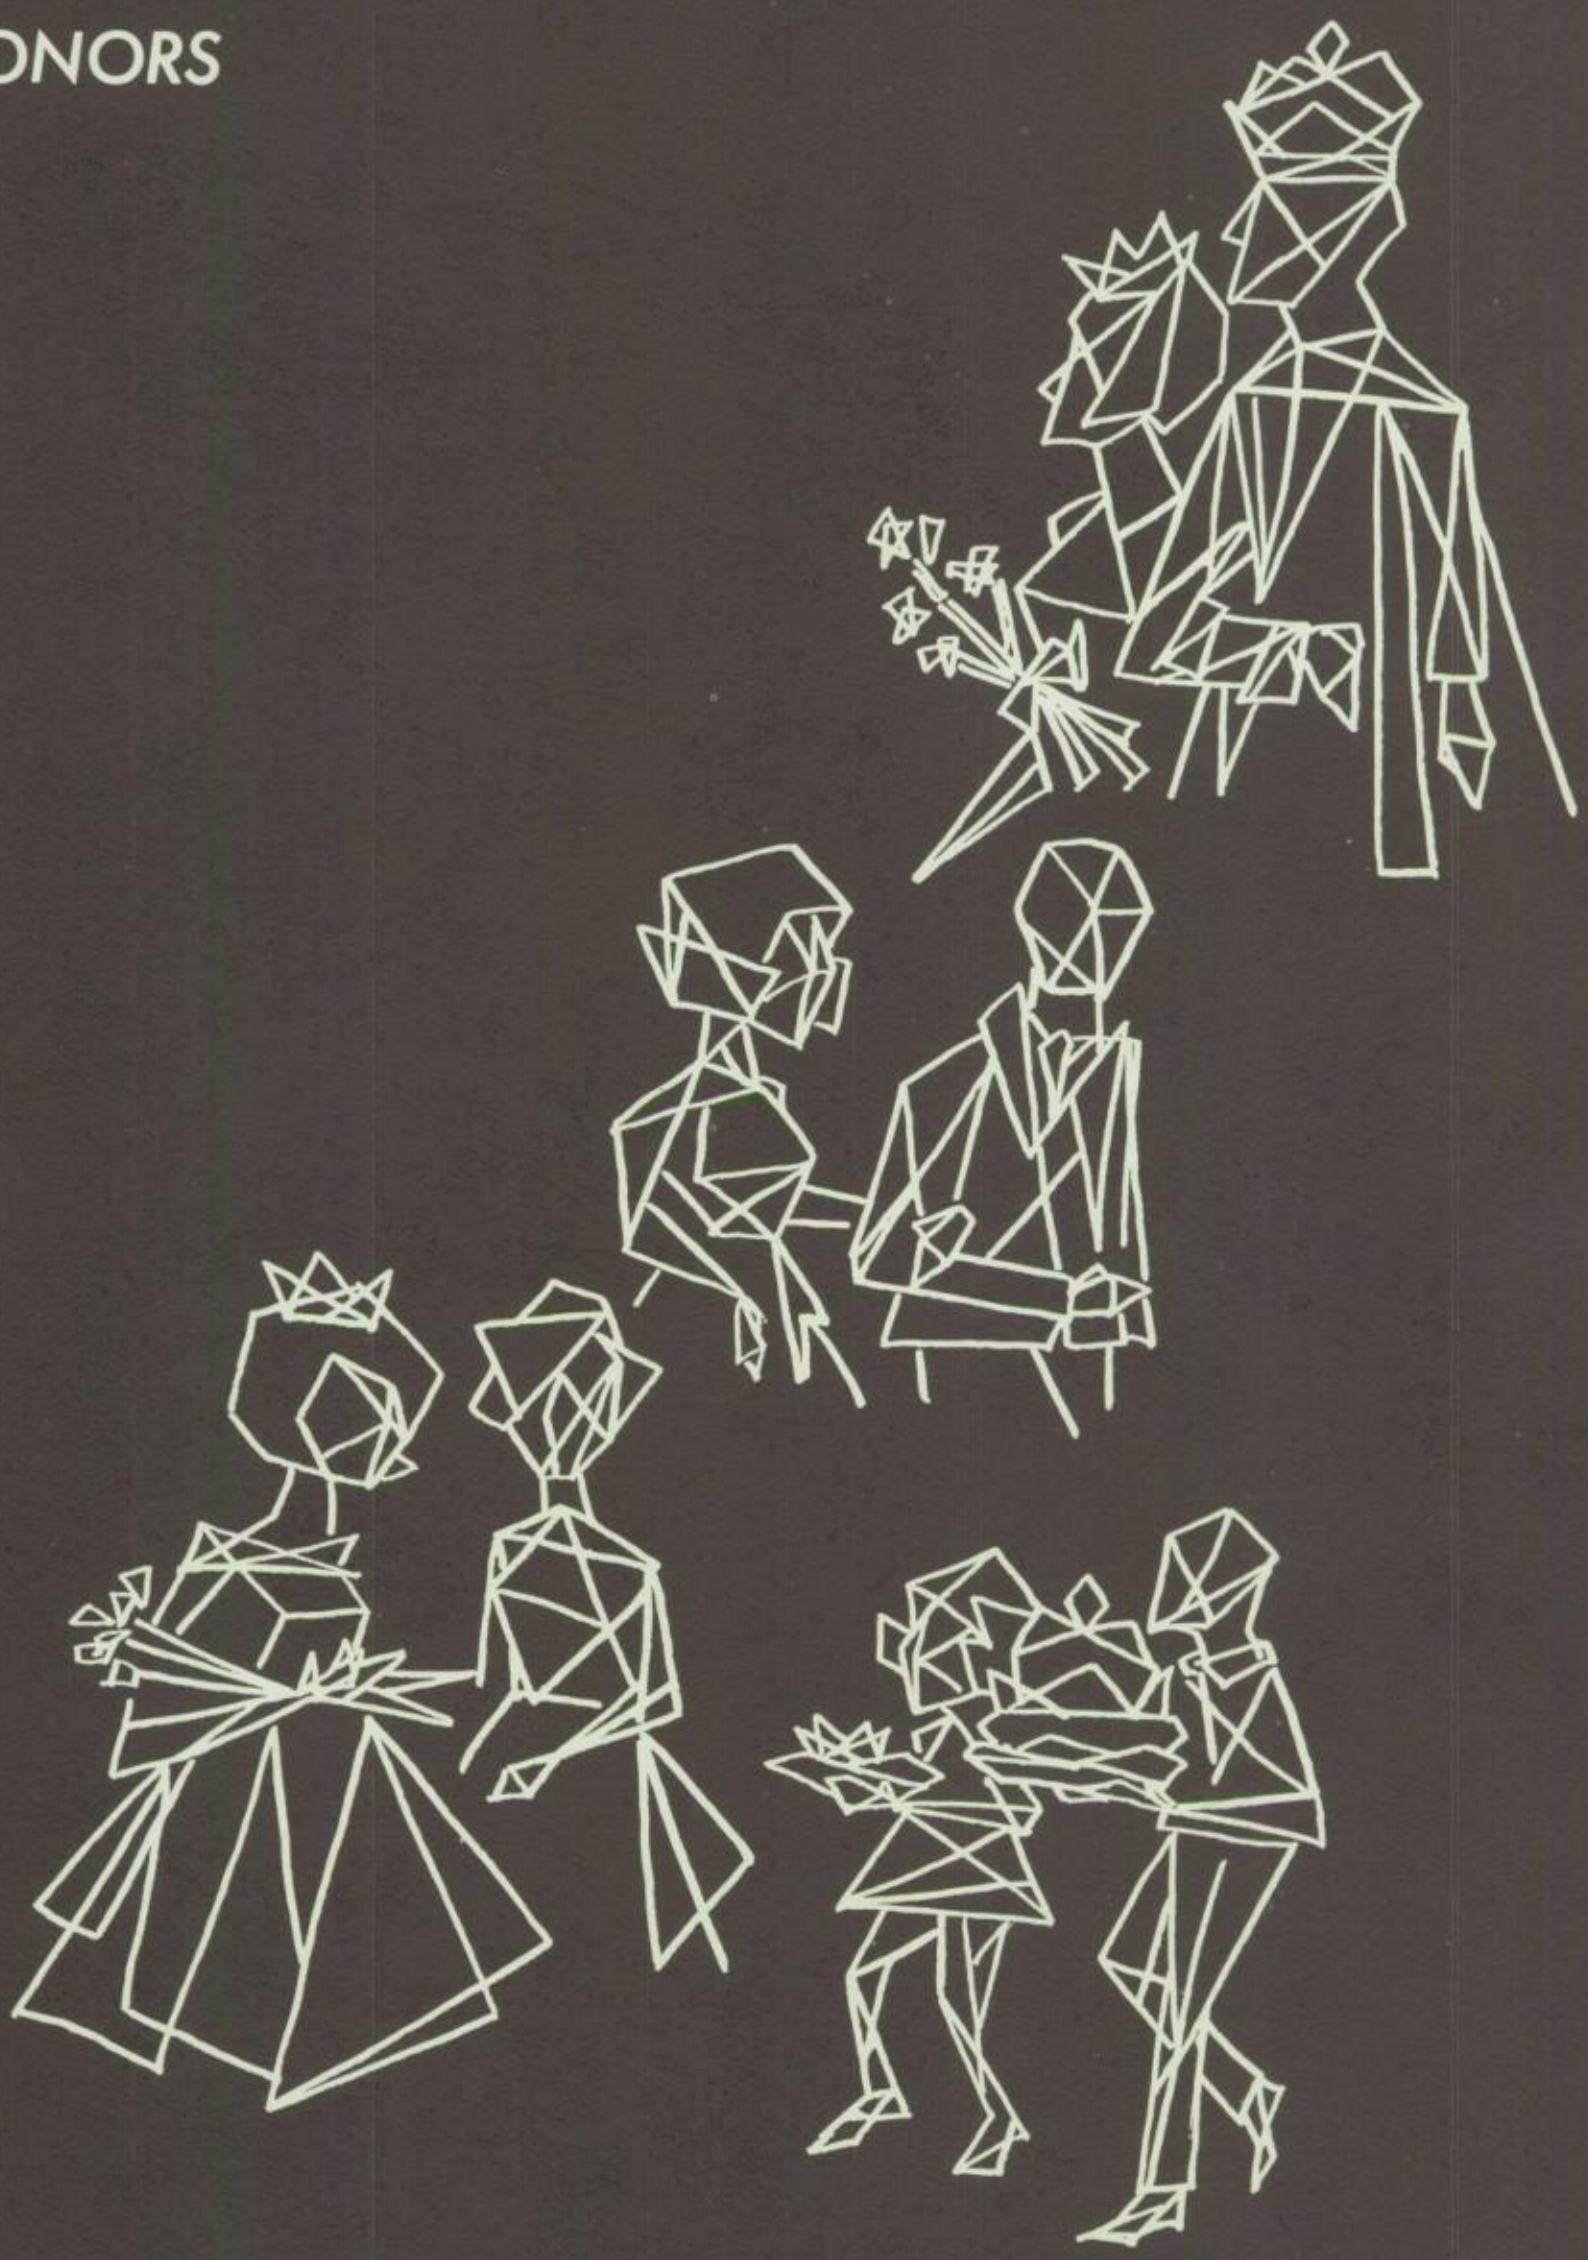
Coach Korte, who was Varsity baseball coach, decided that golf was the sport for him. He seems to be enjoying it very much.

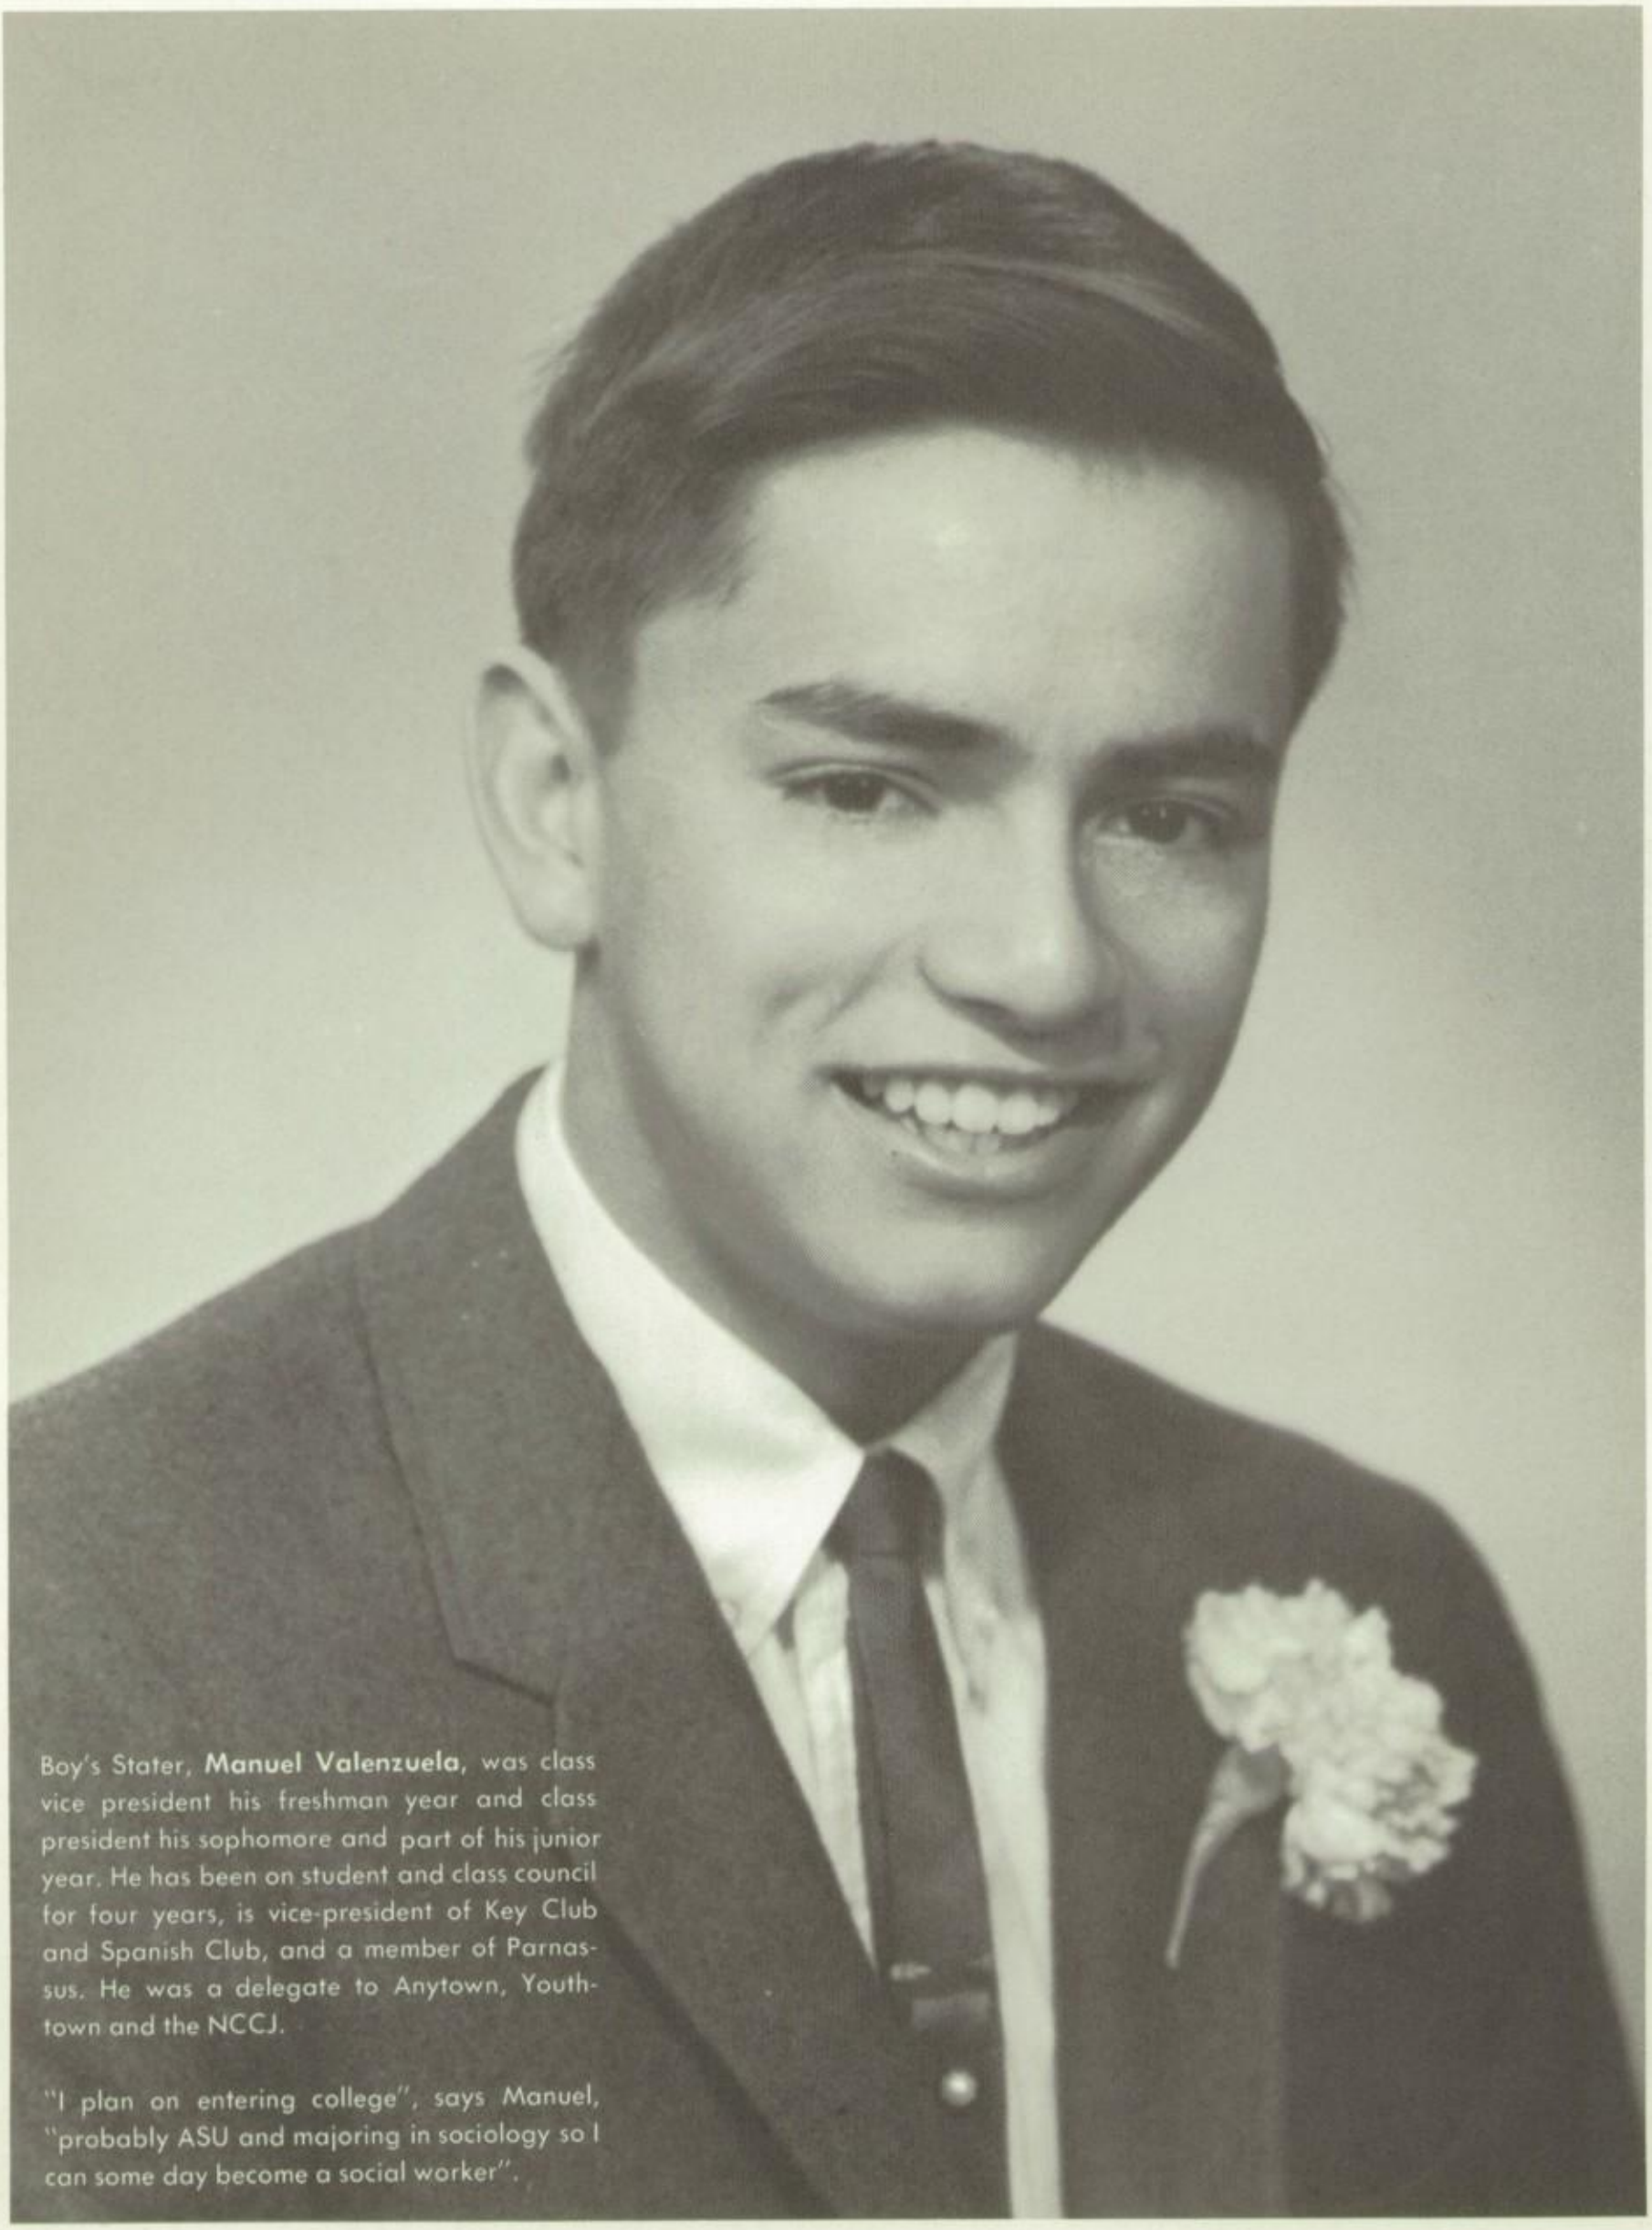
We had an inexperienced golf team this year, except for Kerwin Theriault.

Besides playing golf at Hayden Kerwin has entered many other golf tournaments throughout the valley.

The coach of the golf team this year is Mr. Korte, who was the former baseball coach. Mr. Korte has helped the inexperienced golfers that have joined the golf team in recent years. He hopes that he can get more participation in the sport and in the future have a better golf team.

HONORS





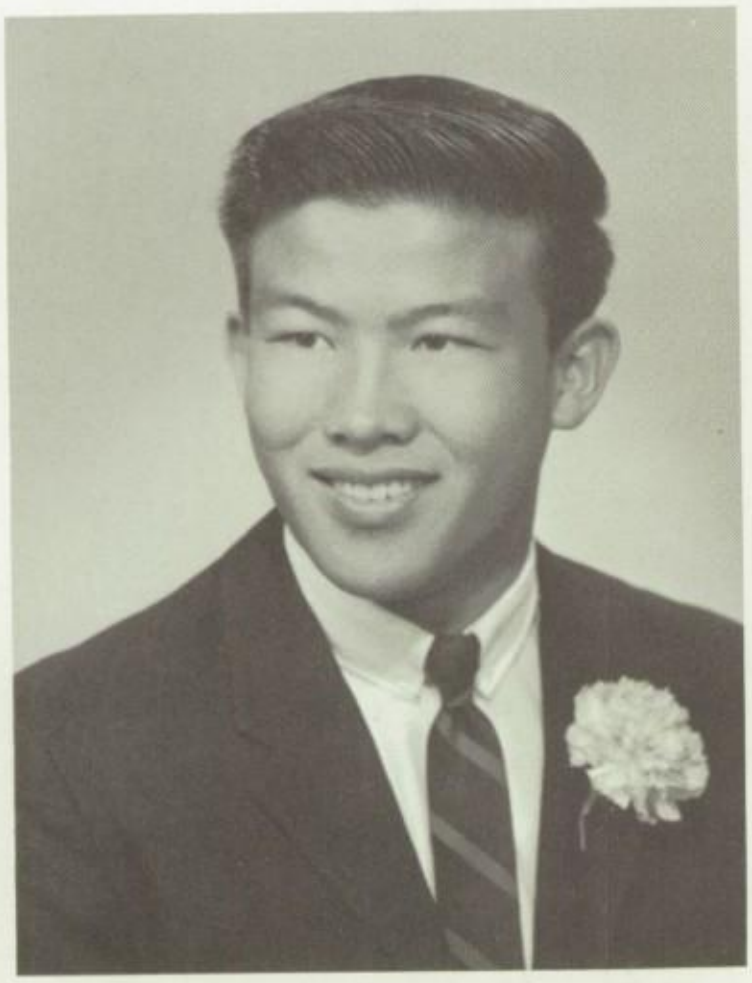
Boy's Stater, **Manuel Valenzuela,** was class vice president his freshman year and class president his sophomore and part of his junior year. He has been on student and class council for four years, is vice-president of Key Club and Spanish Club, and a member of Parnassus. He was a delegate to Anytown, Youthtown and the NCCJ.

"I plan on entering college", says Manuel, "probably ASU and majoring in sociology so I can some day become a social worker".

Carl Hayden High School is named after Senator Carl Hayden. The high school annual, the **Statesman**, is also named after Carl Hayden. The boy chosen as **Mr. Statesman** is as important to his high school and his fellow classmates as a statesman is to his city and state.

Grade average, school activities, and personality are the requirements that these five senior boys had to fulfill to be nominated as **Mr. Statesman** candidates.

These seem like fairly simple requirements that almost any student could accomplish. What most people don't realize is the time and work it takes to have achieved these qualities.



1966 **Mr. Statesman** candidates are: **top left; Terry Smith, top right; John Patterson, bottom left, Larry Yee, bottom right; Dave Norman.**

For the past four years each of the five candidates has worked during and after school helping out some club, school activity, or practicing for some sport.

This year, for the first time, **Statesman** buyers chose the boy they most wanted to represent them and their school as **Mr. Statesman.** Holding this honor for 1966 is Manuel Valenzuela.

Above: Susan Hassell, Louise Felkins, and Cindy Wilson. **Below:** Jim Vail, Sanford Stinnett, Manuel Valenzuela, and Terry Smith.

Planning city, county and state governments, holding elections ranging from city council to government and hearing speakers on various aspects of government and law were among the experiences shared by Carl Hayden's 1965-66 Boys and Girls Staters. Terry Smith, Sanford Stinnett, Jim Vail and Manuel Valenzuela found Boys State to be a week of active days and sleepless nights, while Girl Staters Louise Felkins, Susan Hassell and Cindy Wilson helped establish a model government during their week in Tucson.

$1500 Goes To Kathy

Sanford Stinnett received the Phelps Dodge Scholarship from ASU and U of A. This exemplifies Sanford's academic and outstanding leadership abilities.

Winning the Betty Crocker Award along with a $1500 scholarship was Kathy Lang. After competing in a statewide contest, she was awarded a trip to Washington D.C.

The DAR award is given to a member of the senior class exclusively. The recipient of the award is chosen on the basis of dependability, service, patriotism and leadership. Miss Sylvia Alonzo, who is this year's winner, has these outstanding traits.

This is a hard hat to earn. Wear it proudly. And after you've laid it aside, be sure to keep in mind the things you've learned that made it possible for you to wear your cap and gown — diligence, hard work, studiousness and keeping a goal always before you. Remember these and you'll wear hats that are much harder to earn in life.

Semester exams, the Junior-Senior Prom, the Baccalaureate, all have led up to that one important moment in a senior's life. **Graduation.**

June 10 brings "freedom" to all graduating. But it also places the seniors in a position to face the world on their own.

The football games, Friday night dances, walks to class in the rain, friends, and teachers will all be just a memory.

High school days are to look back on. For seniors they are gone forever. The past four years of work, fun, studying, and personal experiences have led up to one thing, the future.

How well will you use all that you have learned? Will you benefit from your experiences or will you leave all your knowledge behind you with your memories and high school?

Only each individual senior can answer this question. Are you prepared for the future or will you stay behind with your memories?

'Learn How to Bark!'

Doris Nehrbass, Editor

"Now all you have to do is learn how to **bark!**" That was the advice of last year's editor to me. I've had a whole year to learn, but I haven't yet come up with a real, genuine bark. Co-editor Mary Perkins has acted as my mouthpiece whenever necessary. Her enthusiasm carried us all through moments of despair and depression. Starting with little knowledge of yearbooking and less of photography, our new adviser, Mrs. Cromer, became both a seasoned yearbook adviser and a creditable photographer. Both Mr. Mazer and Mr. Boykin helped out in the photography department, enabling Jim Loyd and Rone Orone to become quite proficient. Our abstract falcon on the cover, as well as the drawings on the end sheets and dividers is the work of Ray Perea, a senior. The people who indexed pages, identified pictures and tracked down game scores can't be mentioned here, but I hope that when the book comes out, they, along with those whose names I've mentioned, will be able to open to a page and say, "Look, that's mine. I made that possible."
